EXPLANATION.—In the Left-hand Table are the years of the Century, and above each is the Dominical Letter corresponding with that Year. Then, opposite to the Month, at the foot of the Right-hand Table, will be found a corresponding Letter, over which are placed the Days of the Month and Week for that Month (distinguishing the Sundays by a different type). Each Blank Space in the Left-hand Table shows the year following to be Leap Year; and as every Leap Year has two Dominical Letters, the Letter above the Blank Space must be used for January and February in every Leap Year, and for the other months, use the Letters belonging to the respective Years.

By transposing the Dominical Letters, this Calendar would answer for any Century.

NOTICE.

DIRECTIONS TO THE CITY PEDESTRIANS.

To avoid jostling in meeting upon the Foot-pavements, observe the general rule, "Keep to the Right," or, in other words, allow those that you meet to pass on your left. If this well-known rule were more generally acted upon, much inconvenience would be avoided in our crowded Thoroughfares.

STAMP AND LEGACY DUTIES, ETC.

ADHESIVE STAMPS.—The Board of Inland Revenue gave notice by advertisement, 20th April 1862, that an impressed stamp of 1d., and an adhesive stamp of 1d., had been provided to be used indiscriminately for *Receipts, Drafts, Certified Copies of Registers of Births, Baptisms, Marriages, Deaths and Burials, Contract Notes, Delivery Orders, Policies of Insurance against accidents in travelling.* The adhesive stamp has “Inland Revenue” around a bust portrait of her Majesty, and below “One Penny.” The impressed stamp has on it “One Penny,” and the date in figures. The old stamps may still be used. The stamps appropriated by name are, *Bills and Promissory Notes, Bills of Lading, Proxy impressed Stamps, and Postage Stamps.*

In cancelling adhesive stamps, instead of writing the name of the party or his firm in full, it shall be sufficient if the initials shall be written, stamped, or impressed in ink on the stamp, together with any other particulars required by law, provided the stamp shall be effectually cancelled, so as not to admit of being again used. (24 & 25 Vict. c. 91, § 33.)

The Lease may be impressed with a stamp denoting the payment of the proper duty on the Agreement, Minute, or Memorandum.

AGREEMENT containing the terms and conditions on which a furnished dwelling-house is let for a period less than a year, where the rent for such period shall exceed £25, duty, 2s. 6d.

In default, stamp of no avail. Proof of writing upon or across the stamp a necessary part of the evidence of signing or making the instrument. All documents or writings usually termed letters of credit, or whereby any person to whom any such document or writing is or is intended to be delivered or sent, shall be entitled or be intended to be entitled to have credit with, or in account with, or to draw upon any other person for, or to receive from such other person any sum of money therein mentioned.

Exemptions from the duties on Drafts or Orders.—All letters of credit, whether in sets or not, sent by persons in the United Kingdom to persons abroad, authorising drafts on the United Kingdom, (16 and 17 Vict. c. 59.)

DRAFT or ORDER, after the 24th May 1858, for the payment of any sum of money to the bearer on demand, which being drawn upon any banker within fifteen miles of the place where such draft or order is issued, was formerly exempt from Stamp duty, (21 Vict. c. 20).....1d.

The following is from schedule of 23 Vict. c. 15, under BILL of EXCHANGE, DRAFT, or ORDER:—

"All Bills, Drafts, or Orders, for the pay-

ment by any banker, or person acting as a banker, of any sum of money, though not made payable to the bearer or to order, and whether delivered to the payee or not; and all Writings or Documents entitling or intended to entitle any person whatever to the payment from or by any banker, or person acting as a banker, of any sum of money, whether the person to whom payment is to be made shall be named or designated therein or not, or whether the same shall be delivered to him or not, shall respectively be deemed to be bills, drafts, or orders for the payment of money chargeable with Stamp duty, as if the same had been made payable to bearer or to order. Provided always, that any one Document or Writing, although directing the payment of several sums of money to different persons, shall be chargeable with Stamp duty, as one order only."

Draft or Order, Writing or Document, for the payment, or for entitling any person to the payment, by or through any banker, of any sum of money, sent or delivered to the banker, and not to the person to whom payment is to be made, or any person on his behalf, to be held not to have been and not to be chargeable with any higher Stamp duty than *one penny*, although payable at any time after date. Duty may be denoted by adhesive stamp, to be cancelled as in the case of a draft on demand. (23 & 24 Vict. c. 111, § 17.)

Exemptions.—Any draft or order drawn by any banker upon any other banker, not payable to bearer or to order, and used solely for the purpose of settling or clearing any account between such bankers.

Any letter written by a banker to any other banker, directing the payment of any sum of money, the same not being payable to bearer or to order, and such letter not being sent or delivered to the person to whom payment is to be made, or to any person on his behalf; and all warrants or orders for the payment of any annuity granted by the Commissioners for the Reduction of the National Debt, or for the payment of any dividend or interest on any share in the Government or Parliamentary stocks or funds; and all drafts or orders drawn by the Accountant-General of the Court of Chancery in England or Ireland, shall be exempt from all Stamp duty. (23 Vict. c. 15.)

Note.—26 & 27 Vict. c. 105, repeals the Act 17 Geo. III. c. 30 and so much of any other Acts as continue or revive the said Act, or as prohibit or impose penalty for or on account of publishing, uttering, or negotiating in England any promissory or other note, not being a note

payable to bearer on demand, bill of exchange, draft, or undertaking in writing, being negotiable or transferable, for payment of 20s., or above that sum, and less than £5, or on which 20s., or above that sum, and less than £5, shall remain undischarged, made, drawn, or indorsed in any other manner than as directed by the said Act of 17th year aforesaid, and also the 17th sect. and schedules C and D of an Act passed in the 8th and 9th year of Her Majesty's reign, c. 38, requiring or directing that all such notes, bills, drafts, or undertakings as aforesaid, which shall be issued in Scotland, shall be made, drawn, or indorsed according to the forms contained in the said schedules.

[The duty on drafts or orders may be impressed on the paper, or an adhesive stamp may be affixed. (16 & 17 Vict. c. 59, § 3.) See *Adhesive Stamp*.—Where an adhesive stamp is used, the maker of the draft to cancel the stamp by writing on it his name or initials. Penalty for omission, &c., £10. N.B.—The duty on a Foreign Bill, on and

after 3d April 1860, drawn or endorsed out of the United Kingdom for the payment of money on demand, is the same duty as on an Inland Bill of Exchange, for the payment of money otherwise than on demand. (23 Vict. c. 15.) See above. The word "endorsed" is held by the Board of Inland Revenue to have no practicable effect. See *Times*, 20th and 22d April 1860.

Foreign Bill drawn in but payable out of the United Kingdom on demand, although to be endorsed out of the United Kingdom, if not drawn in sets, would be liable to duty of 1d.

[The duties on Foreign Bills, drawn out of the United Kingdom, are to be denoted by adhesive stamps. The holder to affix the adhesive stamp if one not on it before he negotiate it, and cancel the stamp by writing his name or the name of his firm, and the date on it. (17 & 18 Vict. c. 83, § 3.) If the Bill or Note be received by the holder with the adhesive stamp effectually obliterated and purported, and appearing to be duly cancelled, the same, as regards such holder, shall be deemed to be so. If not cancelled, the holder may do so, as if he were the person first negotiating the Bill or Note. On his doing so, the Bill or Note shall be duly stamped. The person who ought to have cancelled the stamp not relieved of any penalty incurred by not cancelling the same. (24 & 25 Vict. c. 91, § 33.) The Act 23 Vict. c. 15, § 12, provides that the party paying the bill shall, when he does so, write the word "paid" upon the stamp. The amount of duty on adhesive stamps is impressed on two parts. The Board of Inland Revenue recommend that the cancellation should be on one of the parts, and the other left legible.]

If a Foreign Bill payable abroad, and as to which the provision "drawn in sets of three or more" apply, shall be drawn in a single bill, the duty will be the same as on an Inland Bill; and if in a set of two, the duty on each will be the same as on an Inland Bill. This is in accordance with the opinion of the Board of Inland Revenue, (see *North British Daily Mail*, 3d November 1854.) But the Board have given an opinion that a Foreign Bill drawn abroad and payable in this country in duplicate or triplicate only represents one transaction, and is liable to the duty on one Inland Bill of the same account,—that is, if one of the parts have the full duty, the others may be unstamped, (see *Times*, 6th November 1854.) The schedule of the Act does not provide for such a bill being drawn

in sets. Bills bearing to be drawn out of the United Kingdom are to be deemed Foreign Bills so drawn, although they may in reality be drawn in the United Kingdom. (17 & 18 Vict. c. 83, § 4.) A person in the United Kingdom drawing and issuing a bill payable out of the United Kingdom in a set, must draw the whole set, and a person transferring or negotiating such bill must transfer and deliver, stamped, the whole number of the set. Penalty £100. A person taking such bill must get the whole set stamped, otherwise he cannot recover on it or make it available. (*Ib.* § 6.) This applies only to bills drawn within and payable out of the United Kingdom.

INLAND BILL, DRAFT, or ORDER, for the payment of any sum of money, though not made payable to the bearer, or to order, if the same shall be delivered to the payee, or some person on his or her behalf, the same duty as on a bill of exchange for the like sum, payable to bearer or order.

INLAND BILL, DRAFT, or ORDER for the payment of any sum of money, weekly, monthly, or at any other stated periods, if made payable to the bearer, or to order, or if delivered to the payee, or some person on his or her behalf, where the total amount of the money thereby made payable shall be specified therein, or can be ascertained therefrom, or shall be indefinite, the same duty as on a bill payable to bearer or order on demand.

PROMISSORY NOTE for the payment of any sum of money by instalments, or for the payment of several sums of money at different days or times, so that the whole of the money to be paid shall be definite and certain, the same duty as on a promissory note, payable otherwise than to the bearer on demand, for a sum equal to the whole amount of the money to be paid.

MARRIAGE CONTRACT. The leading head under which marriage contracts are chargeable is "Settlement." By the statutory note under this head, it is provided that instruments containing settlements of lands or other property, or *other matter or thing*, besides the settlement of money or stock, shall be chargeable with duty in respect of such, as if contained in a separate deed. A marriage contract may therefore be liable to a number of different duties. If definite and certain sums, and shares of stocks, are settled so as an interest to any extent shall be given, which shall certainly take effect, and not be altogether contingent, these are liable to the *ad valorem* Settlement Duty. If an annuity is provided to widow or others, such is liable to Bond of Annuity Stamp Duty. Obligations to pay sums to widow, such as for mournings, are liable to *ad valorem* Bond Duty. All settlements of property, or other matters not liable to specific duty, will be covered by one general deed duty, over and above the other duties. An obligation by the husband to pay sums to the trustees for the children, if any, would be liable to the Bond Duty, not Settlement Duty, being contingent.

And in case the same respectively shall be made as a security for the payment or transfer, to different persons, of separate and distinct sums or shares,—The *ad valorem* duty shall be charged for each separate and distinct sum or share there-

in specified and secured, and not upon the aggregate amount.

And where any such deed or instrument shall be made respectively as a security for the payment of *any annuity*, or any sum by way of repayment, or in satisfaction or discharge, or in redemption of any sum lent, advanced, or paid, as, or for, or in the nature of a loan intended to be repaid, discharged, or redeemed, in manner aforesaid,—The same duty as on a mortgage or wadset for the sum of money so lent, advanced, or paid.

TRANSFER, disposition, or assignation of any wadset, or other such security, &c.—

RECEIPTS for money amounting to £2 or upwards,—1d.

The following provisions as to what shall be deemed a receipt, and the exemptions from receipt duty by 55 Geo. III. c. 184, are still in force.

Any note, memorandum, or writing whatever, given upon the payment of money, whether signed or not, shall be a receipt if it shall import or signify that any sum of money, debt, or demand, or any part thereof amounting to £2 or upwards, has been paid or settled; and like documents given upon payment by bills, drafts, promissory notes, or other securities for money, are also receipts.

According to decisions, a simple acknowledgment of a sum of money in loan, or of the correctness of a debt, or of a deposit of money, is not liable to stamp duty, either as a receipt or promissory note. The judges held it essential to render a receipt liable to duty that something formerly due had been discharged. On this principle a receipt for a sum of money as a donation to a religious or charitable purpose, not being anything formerly due, would not be liable. The Board of Inland Revenue have intimated that they are to regard such receipts as exempted.

Among the exemptions from receipt duty are—Receipts written on promissory notes, bills, drafts, or orders for the payment of money, duly stamped.

Receipts written on any bond, mortgage, or other security, or any conveyance, deed, or instrument whatever, duly stamped, acknowledging the receipt of the consideration money therein expressed, or the receipt of any principal money, interest, or annuity thereby secured.

The exemption of letters by the general post acknowledging the safe arrival of any bills of exchange, promissory notes, or other securities for money, is repealed by 17 and 18 Vict. cap. 83, § 13.

[Stamps may be impressed or affixed. Where adhesive stamps are affixed, the granter is required to cancel the stamps by writing, stamping, or impressing in ink, his name or initials on them. Penalty for omission,—£10. Penalty for removing adhesive stamps, or using them a second time, or doing any fraudulent act to defraud of duty,—£20. (16 and 17 Vict. c. 59, § 3, 4, and 5; 24 and 25 Vict. c. 91, § 33.)]

Progressive duty,—10s.

All such deeds which contain any settlement of lands or other property, or any other thing besides the settlement of such money or stock, shall be chargeable with such further duty as any separate deed containing such settlement of lands or other property, or other thing, would have been chargeable with, exclusive of the progressive duty.

And where there is more than one such deed chargeable with any such duty exceeding £1, 15s., one of them only shall be charged with the *ad valorem* duty; and also where any settlement shall be made in pursuance of any previous articles chargeable with, and which shall have paid any such duty exceeding £1, 15s., it is not chargeable with the *ad valorem* duty; and the deeds not chargeable with the *ad valorem* duty shall be charged with the duty to which they are liable under any more general description in the stamp schedules; and on the whole being produced duly executed and stamped, the latter shall also be stamped with a particular stamp for denoting the payment of the said *ad valorem* duty.

Oaths and Affirmations to Inventories of personal estates, to be given up and recorded in any Commissary Court, may be taken either before the Commissary or his Depute, or the Commissary-Clerk or his Depute, or before any Commissioner appointed by the Commissary, or before any Magistrate or Justice of the Peace within the United Kingdom or the Colonies, or any British Consul. (21 and 22 Vict. c. 56, § 11.)

If the deceased person died domiciled in Scotland, it shall be competent to include in the Inventory of the personal estate in *Scotland*, the personal estate in *England* and *Ireland*. The estate in *England* and *Ireland* shall be separately stated in the Inventory, and the Inventory shall be stamped with a duty corresponding to the entire value of the estate situated within the United Kingdom. If confirmation be required, the domicile must be proved, and the Commissary must find it to be in Scotland. A Confirmation, in which shall be included personal estate in *England* and *Ireland*, on being produced in the Principal Probate Court in *England*, and the Court of Probate in *Dublin*, and a copy thereof deposited with the Registrar, together with a copy of the Interlocutor

of the Commissary finding that the deceased died domiciled in *Scotland*, is to be returned sealed, and is thereafter to have the same force and effect in *England* and *Ireland*, as if Probate or Letters of Administration had been granted by these Courts. (21 and 22 Vict. c. 56, §§ 9, 12, and 13.)

The provisions of the Act are merely permissive to pay Inventory Duty on the whole personal estate in Great Britain and *Ireland* where the deceased died domiciled in *Scotland*, and the like provisions as to the payment of Probate and Administration Duty where the deceased died domiciled in *England* and *Ireland*. It is therefore still competent to pay Inventory Duty on the Estate situated in *Scotland*, and Probate or Administration Duty in respect of the estate in *England* and *Ireland*. In the case of a person dying domiciled furth of the United Kingdom having personal estate situated in *Scotland*, this mode of paying the duty must be followed, as in that case there is no provision for payment of Stamp Duty, in respect of the personal estate in *England* or *Ireland*, on the Inventory, or obtaining confirmation in respect thereof.

Additional Inventory—Corrective Inventory.

If there be any omission in the Inventory inferring payment of further duty, an additional Inventory of such is required to be exhibited by 48 Geo. III. c. 149, § 38; and § 40 provides that the same shall also specify the amount or value of the estate and effects of the same person comprised in the former Inventory. By 16 and 17 Vict. c. 59, § 8, such additional Inventory shall be *chargeable only with such amount of Stamp Duty* as, together with the Stamp Duty charged upon the former duly stamped Inventory of the estate and effects of the same deceased person, *shall make up the full amount of Stamp Duty*, in respect of the total amount of all the estate and effects of the deceased specified in the said additional and any such former Inventory. If the estate shall be over-estimated, or if something shall be improperly included in the Inventory, an Inventory on a stamp corresponding to the ascertained value must be exhibited, and the original inventory will be allowed on affidavit as a spoiled stamp, within six months after the recording of the second Inventory.

Personal Property disposed of by Will under an absolute power liable to Inventory Duty—Indian Government Promissory Notes, &c., Personal Property in England—British Ships at Sea—Property to be valued at the time the Inventory is sworn to, and the Inventory to include the proceeds accrued on the property down to that time.

Personal estate which a person, dying after 3d April 1860, shall have disposed of by will, under any authority enabling such person to dispose of the same as he shall think fit, shall be deemed personal or moveable estate of the person so dying, for the purpose of payment of Inventory, Probate, or Administration Duty. (23 Vict. c. 15, § 4.) The duties shall be charged on the property in respect of which the same are payable, and shall be paid thereon by the trustees or owners thereof, to the executors, for the benefit of the persons entitled to the personal estate of the deceased. (*Id.* § 5.) Indian Government Promissory Notes and Certificates issued or Stock created in lieu thereof, being assets of a deceased person, the interest of which shall be payable in London, registered in London, or enfaced in India for the purpose of such registration, before the death of the owners; also Indian Government Promissory Notes with coupons attached, in the same circumstances as to registration, and Certificates issued, or Stock created in lieu thereof, shall be personal estate and *bona notabilia* in England of the deceased, (23 Vict. c. 5, § 1.) Also any ship, or any share of a ship, belonging to a deceased person, registered at any port in the United Kingdom, notwithstanding such ship at the time of the death may have been at sea, or elsewhere out of the United Kingdom, shall be deemed to have been at the time aforesaid in the port at which she may be registered, (27 & 28 Vict. c. 56,) and liable to Inventory, Probate, or Administration Duty. "The Inventory and additional Inventory of any person deceased, required to be exhibited and recorded in the proper Commissary Court in Scotland, shall be stamped with duty according to the value of the property contained therein at the time they shall be respectively sworn to, including the proceeds accrued thereon down to that time; and the duty, or deficient duty, according to such value and proceeds, and interest thereon at the rate of five per centum per annum, shall be a debt to Her Majesty by the person making oath to said Inventory and additional Inven-

tory, and his heirs and successors; and if such Inventory and additional Inventory shall not be exhibited and recorded, the Inventory Duty on all the personal or moveable estate and effects of the deceased, and interest thereon at the rate of five per centum per annum from the expiry of the period of six months after the death of such deceased person, shall be payable and shall be a debt to Her Majesty by the person who shall intromit with or enter upon the possession and management of such personal or moveable estate and effects, or any part thereof, and his heirs and successors." (23 and 24 Vict. c. 80, § 5.)

II. MONEY SECURED ON HERITAGE, &c.

The Act 23 Vict. c. 15, § 6, (3d April 1860,) declared that money secured on heritable property in Scotland, and money secured by Scotch bonds in favour of heirs and assignees, excluding executors, should be chargeable with Inventory, Probate, or Administration Duty.

The Act 23 and 24 Vict. c. 80, was passed to regulate the levying and collection of the said duty. Section 1 gives a description of the property which shall be liable to Inventory Duty under the Act of 23 Vict. c. 15; and section 8 further explains what shall be subject to duty. Section 9 of the Act 23 and 24 Vict. c. 80, repeals the Act 23 Vict. c. 15, § 6, in so far as regards Probate and Administration Duty being chargeable in respect of the property, so that *now in all circumstances such property is liable to Inventory Duty*. Section 1 is in these terms:—

Description of Property liable to Duty, and Commencement of Duty.

"All money secured on heritable property in Scotland, and all money secured by *Scottish* bonds and other instruments, excluding executors, and all money secured by *Scottish* bonds and other instruments, the rights to which shall be taken excluding executors, constituting the succession, or part of the succession, of any person who shall have died on or after the 3d day of April in the year 1860, shall be liable to Inventory Duty under the said recited Act."

There are two modes of paying the duty provided for—23 and 24 Vict. c. 80, §§ 3 and 4:—

Two Modes of Paying the Duty.

1. By a "Special Inventory" of the property, to be lodged with the Solicitor of

Inland Revenue at Edinburgh, (a form of which, with relative oath, is given in the schedule to the Act,) stamped according to the amount of property contained in it. The Inventory Stamp shall be testate or intestate according as the Stamp on the Inventory of the personal estate shall denote the testate or intestate rate of duty.

2. By adding the amount of the property to the Inventory of the personal estate, and paying Stamp Duty upon the aggregate amount.

This second mode will generally be the most advantageous for the tax payer; and will be followed when the interest in the heritable and moveable estate is the same, or when the heir and executor can make an arrangement as to the payment of the duty. As to both modes of paying the duty, it is declared that the duty is ultimately to be borne by the parties proportionally according to their interests in the property.

Value to be at the date of the oath to the Inventory, and Inventory to include proceeds to that time.

The 5th section of 23 and 24 Vict. c. 80, provides, that the Inventory Duty shall be payable on the property made liable by the Acts referred to, according to the value of such property at the time the Inventory containing it shall be sworn to, including the proceeds accrued thereon down to that time.

Act retrospective as to time of valuing Personal Estate.

It will be observed that the Inventory Duty on money secured on heritage, &c., is limited to such property constituting the succession of a person who shall have died on or after the 3d April 1860, (23 and 24 Vict., c. 88, § 1;) but the provision for valuing property at the date of the affidavit to the Inventory, and including the proceeds down to that time, is retrospective and universal in its operation, applying to all Inventories sworn to on or after the passing of the

Act, (6th August 1860,) without regard to the date of death.

III. GENERAL OBSERVATIONS.

Modes in which Duty may be paid when deceased domiciled in Scotland, and personal property in Scotland, England, and Ireland, and money secured on Heritage.

In the case of a person dying domiciled in Scotland, having personal property in Scotland, England, and Ireland, and also money secured on heritage, &c.:—I. Duty in respect of the whole may be paid on the Inventory required to be recorded in the Commissary Court; II. Or Inventory Duty may be paid on the personal property situated in Scotland, and Duty may be paid on a "Special Inventory" of the money secured on the heritage, &c., and Probate or Administration may be obtained in England and Ireland in respect of the personal estate in these countries, and duty paid in respect of such on these several instruments.

Mode in which Duty may be paid when deceased domiciled furth of the United Kingdom.

In the case of a person dying domiciled furth of the United Kingdom leaving personal estate in Scotland, England, and Ireland, an Inventory must be given up in Scotland, Probate or Administration taken out in England and Ireland, and Duty paid on such in respect of the property in each country.

For Probate and Administration Duty, Debts and sums of money due from persons in the United Kingdom to a deceased, on obligation or other specialty, shall be estate and effects of deceased within the jurisdiction of Her Majesty's Court of Probate in England or Ireland in which the same would be if they were debts upon simple contract, without regard to the place where the obligation or specialty shall be at the time of the death. (25 Vict. c. 22, § 39.)

is truth, as the deponent shall answer to God.

OPINION.

WE are of opinion that it is sufficient in the Inventory given up of the Estate of a
person deceased for confirmation, to set forth the value of the Estate as at the date when
the Inventory is given up, and that it is not also necessary to set forth the value as at the
date of death. We further think, that the statutory form of confirmation contained in
Schedule E of the Act 21 and 22 Vict. c. 56, must be modified, in order to be in accordance
with the still more recent Statute, 23 and 24 Vict. c. 80, by leaving out the words "at the
time of his death." The opinion of

The inventory duty and probate and administration duty are paid on the whole personal property, without deduction of debts; but the Act 5 and 6 Vict., c. 79, § 23, provides for a return being given on proof of the constitution and payment of the debts. This return must be claimed within three years; but the time will be prolonged on application to the Board of Inland Revenue. A return of the duty paid on heritable securities may also be made in certain circumstances. See 23 and 24 Vict., c. 80, §§ 4 and 6. No return shall be given in respect of any voluntary debt due from any person dying after 28th June 1861, expressed to be payable on the death of such person, or payable under any instrument which shall not have been *bona fide* delivered to the donee three months before the death of such person. Duty is not exigible on legacies or residues under £20; but if a legatee take two or more legacies under any testament, which shall together be of the amount of £20, each shall be charged with duty though each or either may be separately under that amount.

N.B.—Printed forms and regulations regarding all the succession duties will be obtained gratis, on application at the Inland Revenue Office, Edinburgh; and at the offices of the distributors of stamps in the country.

SUCCESSION DUTY.—The duty commences on the death of persons dying after the 19th May 1853 (16 & 17 Vict., c. 51, §§ 2 and 54,) and seems to be imposed on all property, both heritable and moveable, passing by death, not liable to the duty on legacies and successions to personal estate upon intestacy—the duty imposed by the Legacy Duty Acts. The duty on *heritable property* is charged on the annual value, after allowance of the necessary outgoings (§ 22), as

an annuity for the life of the successor (§ 21), which is to be valued by tables annexed to the Act.

Personal property is liable to duty according to the value of the succession; and money charged on heritage—heritable securities—is chargeable as personality (§ 1.)

The property chargeable with duty is called "Succession," (§ 1,) and "Successor" denotes the person entitled to it, and "Predecessor" the person from whom the interest of the Successor is derived, (§ 2.)

Rates of Succession Duty.

Lineal issue, or lineal ancestor of the predecessor,—£1 per cent.

Brothers and sisters of the predecessor and their descendants,—£3 per cent.

Brothers and sisters of the father or mother of the predecessor and their descendants,—£5 per cent.

Brothers and sisters of the grandfather or grandmother of the predecessor and their descendants,—£6 per cent.

Any other person,—£10 per cent.

The husband or wife of the predecessor is not chargeable with duty (§ 18), and if the successor's husband or wife shall be of nearer consanguinity than the successor, duty is payable according to such nearer relationship (§ 11).

The following are also *exemptions* from the succession duty:—

1. Successions from the same predecessor, passing on any death, not amounting in principal value to £100 (§ 18).
2. Any succession of less value than £20 in the whole (ib.)
3. Legacies and personal property charged with legacy duty, in respect of the same acquisition (ib.)

Note.—The collection of the succession duty forms a branch of the business of the Legacy Duty Department of the Inland Revenue. Forms of the accounts may be obtained at the Legacy Duty Office, Edinburgh, and at the offices of the distributors of stamps in the country.

DISCOUNT ON THE PURCHASE OF STAMPS.

To persons who, after 31st December 1860, at one and the same time, shall produce at the office of Inland Revenue in *London* or *Dublin*, paper to be stamped with, or shall purchase at the office in *London*, *Edinburgh*, or *Dublin*, stamps to the amount of £2 or upwards, or of any distributor or sub-distributor of stamps at any place not within the distance of *ten* miles from the said offices respectively, stamps to the amount of £1 or upwards, denoting any rate of duty not exceeding 1s. on *Bills of Exchange*, *Drafts* or *Orders*, or *Promissory*

Notes, or *Stamps*, for denoting the duty of one penny on any instrument or document whatever, (except postage stamps and customs stamps,) an allowance shall be made of *tenpence* for every 20s. of the amount of the duties denoted by such stamps. (23 and 24 Vict. c. 111, § 3.) Any person selling such stamps shall not make any charge for the paper whereon the same are impressed. Penalty for doing so, or demanding or receiving a greater price or sum than the amount of the stamp duty,—£10. (*Ib.* § 25.)

REGULATIONS AS TO EXCHANGING SPOILED STAMPS.

The Solicitor's Office, No. 5 in the Inland Revenue Office, is open for the allowance of spoiled stamps every Tuesday and Thursday, from 12 noon to 2 P.M. The distributors of stamps at the following places also receive spoiled stamps for allowance:—Aberdeen, Ayr, Banff, Cupar-Fife, Dumfries, Dundee, Elgin, Forfar, Glasgow, Greenock, Inverness, Peebles, Perth, Stirling, and Tain.

A supply of forms of affidavits is kept by the Solicitor and the above distributors, and claimants may attend at the Solicitor's Office, and have the affidavits filled up and taken; or they may get copies of the forms, and take the oath before a Justice of the Peace, and afterwards lodge the affidavits and the stamps with any of the above officers. If the claim be admitted, a ticket is issued, stating that application is to be made for the new stamps after Thursday se'ennight, and within six weeks from the date of the ticket. If not made within that time, the claim will be forfeited.

The stamps, if belonging to parties resident in Edinburgh, or within ten miles thereof, must be presented for allowance within six months after being signed in the case of executed instruments, and six months after being spoiled in the case of unexecuted instruments. If the stamps belong to persons beyond that distance, six months in the former, and twelve months in the latter case.

Bills and notes delivered to payees, or negotiated or issued in any way, and bills accepted or tendered for acceptance, cannot be exchanged unless a new bill

be produced, in all respects the same excepting the correction of the error.

As to the exchange of sea policies of insurance, see 54 Geo. III. c. 133.

Unsigned instruments are allowed if inadvertently spoiled. Signed, if void in law from the beginning; from error or mistake, unfit for the purpose originally intended; from death, or refusal to sign, of any person whose signature is necessary; from the want of the signature of some material and necessary party; from refusal to act under, or from non-acceptance—they shall be unfit for or fail of the purpose intended; or if the transaction be carried through by another instrument duly stamped. (See 53 Geo. III. c. 108.) In the case of transfers of stock signed by the seller alone, and other instruments if by one party, new deeds require to be produced to the proper officer of stamps, who, as to transfers, is instructed to certify in what particulars they differ from those spoiled.

Stamps of a different description may be obtained for any stamp spoiled if it be of the value of £6 or upwards. Application for this purpose to the Commissioners of Inland Revenue should be lodged with the affidavit. The Commissioners, by 3d and 4th Will. IV., c. 97, § 19, may, if in their discretion they think fit, refund, in money, the amount of spoiled stamps. They are also authorised to repay the amount of stamps for which the possessor has no immediate use, if applied for within three months after being purchased. In both cases is deducted the per centage allowed by law on the purchase of stamps.

STAMPING DEEDS AFTER BEING SIGNED.

Beyond Twelve Months.—The duty or deficiency of duty shall be due and payable to her Majesty, and also the penalty of £10. The deed will only be stamped on payment of the whole or (as the case may be) the deficiency of the stamp duty remaining payable on it, and over and above such duty a penalty of £10; and if the whole amount of said duty or deficiency shall exceed £10, then, in addition to said duty and penalty, there shall be paid, by way of additional penalty, interest on the duty or deficiency at the rate of five per cent. from the date or first signing of the deed; but such interest shall not exceed the amount of the said duty or deficiency of duty.

Within Twelve Months.—If the deed shall be brought to the Commissioners of In-

land Revenue within twelve months after the first signing or executing, in order to be stamped, it may be stamped without payment of the penalty, or on payment only of a portion thereof, provided it shall be proved to the satisfaction of the Commissioners that the deed was not duly stamped previously to being signed, by reason of accident, mistake, inadvertency, or urgent necessity, and without any wilful design to evade or delay the payment of duty. (13 and 14 Vict., c. 97, § 12.)

Abroad.—If the deed shall be executed by any party abroad, it may be stamped without any penalty, if brought to be so within two calendar months from the time of being received in the kingdom, upon proof of the facts to the satisfac-

tion of the Commissioners. (13 and 14 Vict., c. 97, § 13.)

Adhesive Stamps.—Where adhesive stamps may be affixed to any instrument, an officer of Inland Revenue, authorised by the Commissioners, may, on the instrument being produced to him, affix and cancel the adhesive stamp. The instrument shall thereupon be deemed sufficiently stamped. But this not to apply to instruments not allowed to be stamped after being made, signed, or issued, nor to instruments after the expiration of the period limited for stamping them. The penalty required to be paid on stamping of the instrument is not affected by this provision. (24 and 25 Vict., c. 91, § 32.)

N.B.—Instruments are received at the Solicitor's Office, Inland Revenue, Waterloo Place, Edinburgh, to be stamped, if within two months of the first date, (the

Solicitor may, in certain circumstances, receive them within two months of the last date,) on payment of the duty; if beyond that date, on payment of the duty and penalty. Parties, on applying, will be furnished with a schedule, and after being filled up, it is to be presented, along with the instrument, at the Solicitor's Office, No. 5 Inland Revenue, between 10 and 12 o'clock, on Mondays and Wednesdays only. The amount of duty wished to be impressed on the instrument is to be inserted by the applicant before being presented at the Solicitor's Office; and afterwards he pays it, and the penalty, if any, to the cashier, No. 3, Lobby. As to stamping Agreements and Charter-Parties, (which are received at the Cashier's Office, No. 3 Lobby, between 10 and 1 o'clock from Monday to Friday, and on Saturdays between 10 and 12,) see Notes under these heads.

DOUBTS AS TO THE SUFFICIENCY OF STAMPS MAY BE REMOVED.

The opinion of the Commissioners of Inland Revenue as to the duty to which a deed, whether previously stamped or otherwise, is chargeable, may be obtained on the deed being presented at their office (Edinburgh) and a fee of 10s. paid. The duty or insufficient duty which the Commissioners may assess, and the penalty, if any, being paid, they shall stamp the deed with the duty so paid, and thereupon, and also in the case of the deed being previously sufficiently stamped, shall also impress the deed with a particular stamp to be provided for the purpose. The deed shall then be received in evidence notwithstanding any objection to it as insufficiently stamped. The provision does not apply to bonds or mortgages for unlimited amounts, nor to instruments after being signed, prohibited from being stamped. The opinion of the Commissioners may be appealed against to the Court of Exchequer at Westminster, on the Stamp duties assessed being paid, and 40s. for costs being deposited. (13 and 14 Vict. c. 97, § 14 and 15.) The Commissioners may also adjudge on deeds not liable to any stamp duty; and if any duty is assessed, the party

may appeal. (16 and 17 Vict., c. 59, § 13.)

N.B.—Instruments are received for adjudication at the Solicitor's Office, Inland Revenue, Edinburgh, on the same conditions as to duty and penalty as instruments to be stamped merely, (*see above*.) The mode of proceeding is as follows:—The sum of *ten shillings* for the adjudication stamp is first to be paid to the Cashier, No. 3, Lobby. Then the schedule, (the duty to be impressed of course not being inserted in the schedule,) the instrument after execution, and a copy (written on foolscap paper) of it, (omitting the bounding description of lands, &c., and having appended to it a table giving the substance of the clauses and provisions, particularly dates and sums, and a reference to the page of the copy on which each commences,) are to be left at the Solicitor's Office, No. 5, on Mondays and Wednesdays, between 10 and 12 o'clock *only*. Between 10 and 12 o'clock on the Thursday following, a party, who can give explanation, must call on the chief clerk of the Solicitor's Department, No. 6; and he should be prepared to pay the proper duty, and penalty, if any, to the Cashier, No. 3, Lobby.

DUPLICATES OR COUNTERPARTS.

Duplicates or counterparts of instruments requiring to be impressed with the denoting stamp to render them valid, may be lodged at the Solicitor's Office, No. 5, Inland Revenue, Edinburgh, between 10

and 12 o'clock on Mondays and Wednesdays only. A transmission of them is made once a-week to the Head-Office. The principal instrument, as well as the duplicate, must be lodged, and both must

appear to be properly stamped, otherwise they will not be transmitted.

M.m.—The revenue takes no risk of loss

or injury connected with the custody or carriage of the instruments received and transmitted to be stamped.

GENERAL POST-OFFICE, EDINBURGH.

POSTMASTER-GENERAL FOR THE UNITED KINGDOM,
RIGHT HONOURABLE LORD STANLEY OF ALDERLEY.

I.—RATES OF POSTAGE, and Conditions of Transmission.

Inland Letters.

The rate of postage on all inland letters is regulated by weight, irrespective of distance; and is as follows:—

If paid in advance.

Letter weighing not more than half-an-ounce	1d.
" " more than half-an-ounce but not exceeding one ounce	2d.
" " more than one ounce but not exceeding one and a half	3d.
" " more than one and a half ounces but not exceeding two	4d.
" " more than two ounces but not exceeding two and a half	5d.
" " more than two and a half ounces but not exceeding three	6d.

Unpaid Letters.

As a general rule, the postage, if not paid in advance, is double the foregoing; and if the payment in advance be insufficient, double the deficiency must be charged. An inland letter, for example, weighing more than half an ounce, and not exceeding one ounce, if bearing a penny stamp only, must, on delivery, be charged twopence. The unpaid *additional* postage on re-directed letters, however, is not doubled, being the same as if such postage were prepaid.

Colonial and Foreign Letters.

The rates of postage on letters to foreign countries and the colonies are entered in the Table of Foreign and Colonial Postage (see the British Postal Guide). In consequence of the frequent alterations which take place in the Foreign and Colonial rates of postage during the course of a year, and the numerous disappointments, complaints, and inconveniences arising from that cause, it is deemed advisable to withdraw the Table of Foreign and Colonial rates of postage.

Addresses to the Queen and Petitions to Parliament.

Petitions and Addresses to Her Majesty, forwarded direct, are exempt from postage; and such petitions and addresses, as also petitions to either House of Parliament, if sent to a member of either House, are likewise exempt, provided they do not weigh more than two pounds, and are without covers, or in covers open at the sides. No letter or other enclosure, however, must be inserted; and if one be found, such enclosure, unless it bear the proper number of postage stamps, is charged as an unpaid letter.

Newspapers and other periodical Publications bearing the Newspaper Stamp.

All periodical publications, including newspapers published in the United Kingdom, at intervals not exceeding thirty-one days, and which bear an impressed stamp or stamps denoting the stamp

duty, (of the kind formerly confined chiefly to newspapers,) may be transmitted and re-transmitted through the post within the United Kingdom free from postage under the following regulations, viz. :—

1. They are subject to the same restrictions with regard to the number of sheets and superficial extent as were formerly applicable only to newspapers properly so called. These restrictions are shewn in the following Table :—

Amount of Stamps impressed on the Publication.	Maximum Number of Sheets.	Maximum superficial Extent of Letterpress on One Side.
One Penny	Two	2295 inches.
Three Halfpence	Three	3443 „
Twopence	Four	4590 „

2. No publication, or portion thereof, can pass through the post, unless the impressed stamp which it bears be at least a stamp of the value of one penny.
3. The title and date of the publication must be printed at the top of every page.
4. The publication must be folded in such a manner, that the whole of the stamp or stamps, denoting the full duty, shall be exposed to view, and be distinctly visible on the outside, except that where there are more than two publications in the same cover, it will be considered sufficient if the stamps are so arranged that they can readily be examined.
5. It must not be printed on pasteboard, or cardboard, or on two or more thicknesses of paper pasted together; nor must any pasteboard, cardboard, or such pasted paper be sent with it as a back or cover thereto, or otherwise.
6. It must be posted within fifteen days from the date of publication.
7. It must either have no cover, or a cover open at the ends.
8. It must contain no enclosure.
9. It must have no writing or other mark thereon, but the name and address of the person to whom it is sent, nor anything on the cover but such name and address, the printed title of the publication, and the printed name and address of the publisher or vendor who sends it. Thus, if a newspaper, after having the address of one person written on it, be sent to another person, the first address must be cut off, otherwise the paper will be charged as an unpaid letter.
10. If the publication be addressed to any person within the free delivery of the place where it is posted, it becomes liable to a postage of one penny, which must be prepaid by affixing a postage stamp. If this be not done an additional postage of 2d. will be charged.
11. When a newspaper, &c., is so folded as not to expose the stamp or stamps, a postage of one penny is charged in addition to any other postage to which the publication, if properly folded, would have been liable; and if the newspaper, &c., be addressed to any person within the free delivery of the place where it is posted, and do not bear a penny postage label, it will be charged twopence. In case of any other irregularity, the publication is dealt with in accordance with the regulations of the book post.
12. It is suggested that every publication should have a notice to purchasers conspicuously printed, pointing out the necessity of exposing the stamp or stamps to view whenever the publication is sent through the post.
13. Stamped publications which have been issued more than fifteen days, can be forwarded within the United Kingdom and to most of the colonies under the regulations of the book post.

Newspapers sent abroad, whether to a British colony or to a foreign country, are liable to the 3rd, 5th, 6th, 7th, 8th, and 9th of the foregoing regulations; moreover the name of the newspaper must have been registered at the General Post Office. Every such newspaper is liable to the postage entered in the Table of Colonial and Foreign Postage, (British Postal Guide;) and this postage must be prepaid in stamps. As respects newspapers going abroad the impressed stamp stands for nothing. Publications registered for transmission abroad, although not strictly newspapers, are nevertheless, so far as the British Office is concerned, treated as such.

It is forbidden to introduce into Russia, through the post, political newspapers, in covers open at the ends or sides; and the only means by which persons residing in Russia can obtain newspapers from the United Kingdom is by subscribing for them at one of the Russian Post Offices. This prohibition does not, however, extend to political newspapers, or any other publication, ad-

dressed to members of the Royal Family of Russia, the Imperial Ministers, or members of the Diplomatic Corps. The admission into Russia even of newspapers not of a political character is permitted only when they are addressed to the house of some established bookseller, to the higher schools, to the Imperial Public Library, or to the Academy of Sciences in Russia. Printed prices current, however, as well as printed circulars, in covers open at the ends or sides, are allowed to be addressed to any persons residing in Russia. In all cases where the above mentioned printed papers are allowed to circulate by the post, they are chargeable in Russia with a foreign rate of postage, in addition to the rate chargeable in this country.

Parliamentary Proceedings.

Printed proceedings of the Imperial Parliament, sent without covers, or in covers open at the ends, may circulate within the United Kingdom at the following rates of postage:—

Weighing not more than four ounces	1d.
„ more than four ounces but not exceeding eight ounces	2d.
„ more than eight ounces but not exceeding twelve ounces	3d.
„ more than twelve ounces but not exceeding sixteen ounces 4d.	

And so on; one penny being charged for every additional four ounces.

Prepayment, when the circulation is within the United Kingdom, is optional; and if it be made in part, the simple difference is only charged. The words *PAR. PRO.* should be invariably written or printed on the cover.

To the British colonies and possessions in West Indies, Canada, Hong Kong, Ceylon, Malta, and Gibraltar, the rates chargeable on Votes and Proceedings are the same as printed books, and to certain other colonies, according to Book-rate.

Inland Book Post.

At the following charges, and on the subjoined conditions, book packets may be sent by the post to any place within the United Kingdom:—

Weighing not more than four ounces	1d.
„ more than four ounces and not exceeding eight ounces	2d.
„ more than eight ounces and not exceeding sixteen ounces 4d.	
„ more than one pound and not exceeding 1½ pounds	6d.

And so on; 2d. being charged for every additional half-pound or any less weight.

1. The postage must be prepaid in full, by means of postage stamps affixed outside the packet or its cover.
2. Every packet must be sent either without a cover, or in a cover open at the ends or sides.
3. A book packet may contain any number of separate books or other publications, prints, or maps, and any quantity of paper, parchment, or vellum (to the exclusion, however, of letters, whether sealed or open.) And the books or other publications, prints, maps, &c., may be either printed, written, or plain, or any mixture of the three. Further, all legitimate binding, mounting, or covering of a book, publication, &c., or of a portion thereof, will be allowed, whether such binding, &c., be loose or attached; as also rollers, in the case of prints or maps; markers (whether of paper or otherwise,) in the case of books; and, in short, whatever is necessary for the safe transmission of the packet, or usually appertains thereto, but no patterns or books of patterns can be admitted.
4. A book packet, whatever may be the postage paid thereon, must not contain any *written* letter, closed or open, or any enclosure sealed or otherwise closed against inspection. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter, and may therefore be made.
5. No book packet can be received, if it exceeds two feet in length, width, or depth.
6. Any packet which shall not be open at the end or sides, or shall have any written letter or any communication of the nature of a letter in it, or upon its cover, is charged with the “unpaid” or double letter postage.
7. If a packet be found to contain any letter, whether closed or open, or any enclosure sealed or otherwise closed against inspection, or any other unauthorised enclosure, the letter or enclosure is taken out and forwarded to the address on the packet, charged with the full postage, as an unpaid letter, together with an additional rate of 1d.; and the remainder of the packet, if duly prepaid with stamps, is then forwarded to its address.
8. If a packet be not sufficiently prepaid with stamps, but nevertheless bear a stamp of the value of 1d., it must be forwarded, charged with the deficient book postage, together with an additional rate of 1d.; but any packet which shall bear no postage stamp is charged with the “unpaid” or double letter postage.
9. In every case in which the postage charged upon a packet under these regulations would be greater than the letter rate, the latter postage is substituted.

Precautions against Fraud, &c.

The Head Postmaster who first receives a book-packet is required, whenever he has ground for suspecting an infringement of any of the above conditions, and occasionally, even when there is no ground for suspicion, to open and examine the packet; and every book-packet which is not open at the ends or sides, or which exceeds two feet in length, width, or depth, or which has any letter or any communication of the nature of a letter written or printed in it or upon its cover, or which does not bear postage stamps equal to a single book-rate, is ordered to be sent up, with as little delay as possible, to the Returned Letter Branch of the Circulation Office in London, Dublin, or Edinburgh, as the case may be; but in the case of any other infringement of the regulations, the packet is dealt with by the Postmaster himself.

To prevent obstacles to the regular transmission of letters, any Head Postmaster may, when necessary, delay forwarding a book-packet for a period not exceeding twenty-four hours beyond the

ordinary time : and at Packet Offices the delay may, at the option of the Postmaster, be either for that period, or until the despatch of the mail next after that by which the book-packet ought otherwise to be forwarded.

II.—REGISTRATION OF LETTERS.

The Regulations in force with regard to the Registration of Letters are as follows :—

1. That the Registration rate of Postage payable at any Post Office in the United Kingdom on Inland Letters Registered during the ordinary hours appointed for the Registration thereof at such Post Office, shall be *Fourpence*, and such Registration rate shall be payable in Stamps ; but this regulation shall not extend to the Registration rates chargeable and payable on Colonial or Foreign Letters.

2. That all Letters, whether Inland, Colonial, or Foreign, may be Registered at the Metropolitan Chief Post Office, or at the London District Post Offices, (including the Lombard Street and Charing Cross Branch Post Office,) or at any Provincial Head Post Office in the United Kingdom after the ordinary hours appointed for the Registration thereof at any such Post Office, until the closing of the Letter Box for each Despatch, or until such Post Office is closed for the night, upon payment of a *late* Registration rate of Postage of *Fourpence*, which shall be payable in Stamps, in addition to the ordinary Registration rate, and to any other rates chargeable or payable thereon.

3. That all Letters containing Coin posted in any town or place in the United Kingdom, addressed to any person, town, or place, in the United Kingdom, and all Letters which shall have written or put thereon the word “Registered,” or any other word or words of the like meaning or to the like effect, when posted, whether the same shall have or contain therein Coin or not, shall be delivered to the Post Office for Registration, and shall be Registered by the Post Office at the time of the same being posted, and a rate of Postage of *Fourpence* for every Letter so Registered shall be charged for the Registration thereof, in addition to any other rates of Postage payable thereon, or which may become chargeable thereon, under the regulations hereinbefore in the second clause mentioned. And every such Registration rate shall be paid in stamps at the time of such Letters being posted.

4. That if any such Letters shall be put into the Post Office without being Registered by the Post Office, and without the Registration rate or rates chargeable thereon being paid in Stamps as hereinbefore in the third clause is mentioned and directed, such Letters shall be Registered by any Post Office through which they may pass in course of transmission thereof by the Post, and shall be forwarded so Registered to their destination, and shall be charged with double the ordinary Registration rate of Postage of *Fourpence* in addition to any other rates of Postage chargeable or payable thereon, with a deduction, nevertheless, equal to the amount of any Stamps which may have been affixed to such Letters in payment or part payment of the Registration rate chargeable thereon.

5. That any such Letters as are hereinbefore in the fourth clause mentioned, may be detained for the purpose of being Registered by any Post Office through which they may pass in course of transmission thereof by the Post, until the next ordinary despatch to that by which they would have been forwarded, conveyed, and delivered, if they had been Registered by the Post Office according to the directions hereinbefore in the third clause mentioned.

6. That the third and fourth clauses hereinbefore contained shall not extend to any Letters sent to or from any of Her Majesty's Colonies or any Foreign Country.

Parliamentary Notices.

Parliamentary notices may be forwarded through the post under the following regulations :—

1. The words “Parliamentary Notice” must be legibly printed on the face of the letter ; and in order to secure the speedy return of any notices which may be undelivered, the name and address of the solicitor issuing such Parliamentary Notice should also be legibly printed or written on the face of the letter ; though this latter is not imperative.
2. These notices must be posted either at the General Post Office, St Martin's-le-Grand, in London ; the General Post Office in Dublin ; the General Post Office in Edinburgh ; or at the chief office at one or other of the following towns :—

Aberdeen
Athlone
Belfast
Birmingham
Bristol
Cork

Exeter
Glasgow
Inverness
Leeds
Lincoln

Liverpool
Manchester
Newcastle-upon-Tyne
Norwich
Shrewsbury

3. All notices which, by the standing orders of either House of Parliament, are required to be served on or before the 15th December, must be posted on or before the 12th December, unless the 12th falls on a Sunday, when they must be posted not later than the 11th; but those notices which, by the same order, may be served later than the 15th, may be posted after the 12th of that month.
4. The postages chargeable on these notices must be prepaid by stamps; the registration fee of sixpence on each notice being paid in the usual manner.
5. The notices must be posted at the Post-Office window, accompanied with duplicate lists of the addresses; the letters being arranged, for the convenience of comparison, in the order of the list. These lists are examined by the officer in attendance at the window; and if each list correspond with the address, he will sign and stamp every sheet of each list. One of the duplicate lists will then be returned to the person who brought the letters, and the other forwarded to the Secretary, General Post-Office, London.

The hours for receiving both Parliamentary Notices and the undermentioned Voting Notices are the same as those for the registry of ordinary letters, unless the Parliamentary Notices be presented at such a time as to interfere with the ordinary duties of the office; in which case the Postmaster may appoint any other time within the next twenty-four hours for receiving the same; providing that, when the notices are to be served on or before 15th December, such arrangement do not delay the posting beyond the 12th.

Whoever sends Parliamentary Notices should, if possible, arrange on the day before with the Postmaster as to the most convenient time for posting them, and state the probable number.

Voting Notices.

On prepayment of the postage and of a registration fee of twopence, a notice belonging to any one of the classes enumerated in the Act 6 Vict. c. 18 (relating to votes for members of Parliament) can be sent through the post with the securities for their safe delivery enjoined by law, provided it be brought duly directed, open and in duplicate, to a Postmaster of an office where Money-Orders are issued or paid. On receiving the notice, the Postmaster has to compare it with the duplicate, and if the two agree, the latter will be stamped and returned to the bearer.

Poll-books.

When a poll-book is presented by any returning officer to be forwarded by post, the Postmaster is required to give to such officer an acknowledgment thereof in writing, stating therein the time when he received it.

No registration fee is demanded for poll-books, and prepayment of the postage is optional, without regard to weight.

III.—DELIVERY.

Letter-carriers and Rural Messengers are prohibited, under pain of dismissal, from demanding or receiving any payment beyond the postage on letters, newspapers, &c., which they are required to collect or deliver; or from distributing any letters, newspapers, &c., whether before beginning their rounds, whilst on their rounds, or after they may have completed them, except those which have been regularly posted.

Delivery at Window.

Except where the number of daily deliveries is considerable, and where, therefore, the Surveyor considers such a regulation unnecessary, letters are delivered at the window after the arrival of every mail (within office hours) as soon as they can be sorted. In all cases, however, when there is a corresponding delivery by Letter Carriers, the window delivery (whether to the holders of private boxes or to the public generally) does not begin till the Letter-Carriers have left the office, nor is it allowed in any way to delay the departure of the Letter-Carriers.

In order to prevent the additional trouble which is sometimes caused by letters being directed to a Post-Office, although for persons residing within a free delivery from such office, but who have no private box, a postmaster is authorised, when such letters arrive by a mail for which there is a delivery from house to house, to refuse to deliver them at the window, and to send them out by the Letter Carriers, except letters addressed to the military in barracks.

Letters “To be Called for.”

The Poste Restante being intended solely for the accommodation of strangers and travellers who have no permanent abode in Edinburgh, letters for residents in Edinburgh must not be addressed “Post-Office till called for.” Letters addressed to “Initials” or “Fictitious Names” cannot be received at the Poste Restante; if so addressed they are returned to the writers.

Private Boxes and Bags.

Any person can have a private box who is willing to pay the appointed fee. Where this fee goes to the Revenue, it is fixed at one guinea per annum, to be paid in advance, and for a period of not less than a year; and where it goes to the Postmaster, he may demand the same terms, though he may, at his option, take less. The same also, in most cases, are the terms for a private bag, except that in addition there is the cost of the bag itself, and a charge for conveyance, the maximum of the latter being half-a-guinea per annum if by a foot-messenger, and two guineas if by a mounted one. As the service of a private bag, however, may possibly delay the despatch of a general bag, none must be allowed without the permission of the Surveyor.

IV.—POSTAGE STAMPS.

Every Postmaster is required to have on hand a sufficient stock of postage labels and penny stamped envelopes, and to sell them to the public at the following prices:—

Stamped Labels.

Penny Labels, . . .	1d. each.	Fourpenny Labels, . . .	4d. each.
Twopenny do., . . .	2d. each.	Sixpenny do., . . .	6d. each.
Threepenny do., . . .	3d. each.	Ninepenny do., . . .	9d. each.
Shilling Labels, . . .	1s. each.		

Stamped Penny Envelopes.

12 to be sold for . . .	1s. 1½d.	4 to be sold for . . .	4½d.
8 „ . . .	0s. 9d.	2 „ . . .	2½d.
6 „ . . .	0s. 6¾d.	1 „ . . .	1½d.

Every Rural Messenger is authorised to sell postage stamps (including stamped envelopes) at the same prices at which Postmasters are empowered to sell them; and is required, when he begins his round, to have in his possession ready for sale at least five shillings' worth of penny labels.

Stamps.

Prepayment of inland letters, &c., must be by stamps, except at the Chief Post-Office, London. In the prepayment of books stamps only must be used; but prepayment of letters to the colonies or places abroad, and in the case of letters posted in Malta, Gibraltar, Constantinople, the Colonies, in the West Indies, under the control of the Postmaster-General, may be made either in stamps or money. Except by soldiers and sailors in Her Majesty's service, British postage stamps are not available in the payment of letters, &c., coming into the country.

V.—MONEY-ORDERS.

The public are recommended, when applying for Money-Orders, to use printed “Application Forms,” which save time, and afford greater security, than verbal messages, against mistakes. These forms are supplied gratuitously at all Money-Order Offices.

The commission on inland Money-Orders is as follows :—

On sums not exceeding	£2,	3d.
Above £2, and	5,	6d.
„ 5, „	7,	9d.
„ 7, „	10,	1s.

The commission on Money-Orders, payable in any of the Colonies with which Money-Order business is transacted, is fourfold these sums, except Gibraltar and Malta, in which cases the commission is threefold.

No order is allowed to contain a fractional part of a penny.

With the subjoined exceptions, no Money-Order can be issued unless the applicant furnish, in full, the surname and at least the initial of one Christian name, both of the remitter (the person who sends the order) and the payee (the person to whom the money is to be paid,) together with the remitter's address :—

1. If the remitter or payee be a peer or a bishop, his ordinary title is sufficient; and if a firm, the usual designation of such firm will suffice, except a company trading under a title which does not consist of the names of the persons composing it, as the “Carron Company,” to which kind of company the above privilege does not extend.
2. Money-Orders for transmission by the Public to the Privy Council Office will be issued payable to “The Privy Council Office,” the name of the payee not being required in these cases.
3. When the remitter notifies that the order is to be paid through a bank, it is left to his option to give or withhold the name of the payee; and he may, if he wish it, substitute for the name of the payee any other designation or any modification of the name; as for example :—“The Cashier of the Bank of England;” “The Chief Clerk of the Foreign Office;” “The Publisher of the *Times*.”

When application is made for a Money-Order payable in London, or at any other town where there is more than one Money-Order Office, the remitter should say at which of such offices he wishes it to be paid, otherwise the order can be cashed at the Head-Office alone. It is not incumbent on a Postmaster to supply such information relative to local or provincial offices.

An order once issued cannot be cancelled; and should repayment or transfer to a different office or alteration of name be required, the remitter must apply to the paying Postmaster according to the directions printed on the back of the order.

The remitter of an order may make that order payable ten days after date, provided he sign the requisition “C” printed on the order, to defer payment until ten days after date, and affix a penny receipt stamp thereto.

When an order is presented for payment, (otherwise than through a bank,) the Postmaster has first to see that the signature of the payee be as full as the name given in the advice, and be not in any way inconsistent therewith. He has then to call on the applicant to give the name of the remitter, and if the reply be correct, the order will be paid, unless the Postmaster have good reason for believing that the applicant for payment is neither the rightful claimant, nor deputed by him. When an order is paid through a bank, it is sufficient that it be receipted (without regard to any discrepancy between the signature and the name in the advice, or to whether the receipt is given by the payee himself or by another person,) and that it be presented (crossed with the name of the receiving bank) by some person known to be in the employment of the bank.

The holder of a Money-Order is always at liberty to direct, by crossing it, that the order be paid through a bank, even though its payment was not originally so restricted; and when the order is thus crossed, the question put on the presentation of an ordinary money-Order is dispensed with.

Money-Orders do not require a receipt stamp.

Payment of an order, issued and payable in the United Kingdom, must be obtained before the end of the second calendar month after that in which it was issued (for instance, if issued in January, it must be paid before the end of March,) otherwise the order becomes lapsed, and a new order will be necessary, for which a second commission will be charged. The period for payment of orders issued in the United Kingdom, and payable in any colony authorised to transact Money-Order business, including Gibraltar and Malta, is six months, and orders granted at those places on the United Kingdom are also payable during six months after that in which they were issued. Any person presenting a lapsed order will be furnished with a copy of a printed notice headed “Lapsed Money-Orders,” containing directions how to proceed. If the order be not paid before the end of the twelfth calendar month after that in which it was issued (for instance, if issued in January, and not paid before the end of next January,) all claim to the money will be lost.

No application can be entertained for compensation for alleged injury from the non-payment of a Money-Order at the expected time; and after once paying a Money-Order, by whomsoever presented, the Office is not liable to any further claim.

To guard against the loss of a Money-Order, the public are cautioned—

1. Never to send the Money-Order in the same letter with the information required on payment thereof.
2. To see that the name of the person taking out the order is correctly known to the person in whose favour it is drawn.

Under no circumstances can payment of an order be demanded on the day of issue.

In case of the miscarriage or loss of an inland Money-Order, a duplicate is granted on a written application (with the necessary particulars, and enclosing the amount of a second commission, in postage stamps) to the Comptroller of the Money-Order Office of England, Scotland, or Ireland, as the case may be, where the original order was *issued*; and if it be desired to stop payment of an inland order, a similar application, with enclosure of postage stamps, must be made to the Comptroller of the Money-Order Office of that part of the kingdom in which the order is *payable*. If alteration in the name of the payee or remitter of an inland Money-Order should be required, application must be made by the remitter to the Postmaster of the office at which the order was issued, and a second commission must be paid. Should transfer of payment of an inland order from one office to another in the United Kingdom, or repayment of the amount of an order, be required, an application enclosing the order must be made to the Postmaster at whose office the order is payable, who will transmit in exchange a new order payable at the place desired, but for a less sum than the original order by the amount of the second commission charged for the re-issue. Proper printed forms for making applications in all these cases may be obtained at any Money-Order Office, and full instructions on the subject will be found printed at the back of the Money-Order. Whenever, on complaint being made, it is found that the necessity for an application entailing the payment of a fresh commission is attributable to the Post-Office, the charge will be remitted to the applicant, and imposed on the officer in fault.

A Postmaster is required to give information how to apply for a duplicate order, &c., and must furnish the prescribed form of application. If payment of an order be refused in consequence of the replies to the questions respecting the remitter not corresponding with the entries in the advice, or of a difference in the name in the receipt, the applicant for payment should communicate with the remitter, and request him to apply personally to the issuing Postmaster.

No Letter-Carrier or other servant of the Post-Office is bound to procure a Money-Order for any person, or to obtain payment for one, but such services are not forbidden.

Money Orders are issued at all Money-Order Offices in the United Kingdom of Great Britain and Ireland, on Money-Order Offices in Canada, Cape of Good Hope, New South Wales, New Zealand, Queensland, South Australia, Victoria, and Western Australia, and by the Offices in those colonies on any Money-Order Office in the United Kingdom, at a charge of 1s. for any sum not exceeding £2, 2s., for any sum above £2 and not exceeding £5, 3s., for any sum above £5 and not exceeding £7, 4s., for any sum above £7 and not exceeding £10, beyond which amount no single Order can be granted.

The renewal of a relapsed Colonial Order, the issue of a duplicate Order, or the stoppage of payment of an Order, will be made on application to the Controller of the Metropolitan Office of the country in which such *Colonial Order is payable*, provided an additional Inland Rate of Commission be enclosed with the application; except in the case of lapsed Orders, when the additional commission will be deducted from the amount of the new Order issued by the Department; but the lapsed Order must be transmitted with the application for its renewal. Postmasters in the United Kingdom have power to transfer to other offices in the United Kingdom payment of the colonial orders originally drawn on their own offices.

For repayment of the amount of a Money-Order, or for the correction of any error respecting the name of the Payee or Remitter of an Order, the application on the subject, enclosing an additional Inland rate of Commission, must be addressed to the Controller of the Metropolitan Office of the country in which such *Colonial Order was issued*.

VI.—MISCELLANEOUS RULES.

With the following exceptions, no letter, &c., can be forwarded by the post which is more than two feet in length, breadth, or depth. The exceptions are—

1. Packets to or from places abroad.
2. Packets to or from any of the Government Offices or Departments, or Public Officers.
3. Petitions or addresses to the Queen, whether directed to Her Majesty, or forwarded to any member of either House of Parliament.
4. Petitions to either House of Parliament, forwarded to any member of either House.
5. Printed Parliamentary proceedings.

No information can be given respecting letters which pass through a Post-Office except to the persons to whom they are addressed; and in no other way is official information of a private character allowed to be made public.

Letters must not be returned to Writers.

Postmasters are not authorised to return any letter, &c., to the writer or sender, or to any one else, or to delay forwarding it to its destination according to the address, even though a request to such effect be written thereon; as every letter, &c., must be delivered to the person to whom it is directed, and to him alone.

Late Letters.

Late letters, &c., are received till within five minutes of the despatch of the mails, except in those large towns where the Surveyor may deem an interval of ten minutes necessary, and excepting that no office is to be kept open merely for this purpose after ten o'clock at night.

Prepayment of late Letters.

No late letters, &c., must be forwarded by the mail preparing for despatch unless prepaid, and that in stamps, so as to include both the ordinary postage and the late-letter fee.

Re-directed Letters, &c.

With the subjoined exceptions, every re-directed letter, newspaper, or other postal packet, is liable to an additional postage, (at the prepaid rate), unless the re-direction be made by an officer of the Post-Office, and be within the district belonging to the same Head Office. Thus, on a paid or unpaid letter, re-directed by an officer of the Post-Office to any other postal district in the United Kingdom, and weighing not more than half-an-ounce, an additional postage is levied of one penny; or if the weight be more than half-an-ounce but does not exceed an ounce, of twopence; and so on. Upon a book thus re-directed to any other postal district in the United Kingdom, and weighing not more than four ounces, an additional postage of one penny is levied; or if the book weigh more than four ounces, but not exceeding eight ounces, an additional postage of twopence; and so on. A registered letter, when re-directed, is not subject to more additional charge than an ordinary letter. Letters addressed to commissioned officers in the army, navy, or ordnance, employed on actual service in any of Her Majesty's colonies, or on any foreign station, may be re-directed to such officers when removed *upon service*, (whether at home or abroad,) and are delivered to them for the same amount of postage that would have been chargeable had they been delivered at their original address. The same privilege extends to the letters of the soldiers and seamen described in the Table of Colonial and Foreign Postage, except as regards foreign postage, which must be paid.

Every Postmaster is required to have a notice conspicuously placarded, giving information respecting the hours of attendance, the despatch and delivery of letters, &c.

During the time the office is open on Sunday, the public are allowed to prepay foreign or colonial letters, to purchase postage stamps, and to have letters registered; and all other duties as usual, except the issue and payment of Money-Orders, which on that day are wholly suspended.

At no office is there more than one delivery on the Sunday: and any person is at liberty to prevent even this, so far as relates to himself, as shewn in the following regulations:—

1. Any person can have his letters, &c., retained in the Post-Office on Sunday, by addressing to the Postmaster a written request, duly signed, to that effect.
2. Such request will be held to include newspapers, and all other postal packets, even such as may be marked, "immediate," as no distinction can be allowed.
3. No letters, &c., the non-delivery of which by the Letter-Carrier on Sunday has been directed, can be obtained from the Post-Office window on that day.
4. Private box-holders have the option of applying for their letters at the office while it is open for delivery on Sunday, or of abstaining from so doing, as they may think proper, but no person can engage a private box for Sunday only.
5. To prevent the inconvenience and confusion which would arise from frequent changes in these instructions, no request can be entertained unless it extend to a period of at least three months, nor withdrawn, even after the lapse of that time, without a week's notice.

No Postmaster is bound to give change, or is authorised to demand change; and when money is paid to the Post-Office, whether as change or otherwise, no question as to its right amount, goodness, or weight, can be entertained after it has been removed from the counter.

Except as regards foreign and colonial letters about to be prepaid in money, a Postmaster is not bound to weigh any letters or other packets for the public, though he may do so if his duty be not thereby impeded. Postmasters are instructed not to receive any letter, &c., which there is good reason to believe contains anything likely to injure the contents of the mail bag, or the person of any officer of the Post-Office. The following are examples of the articles referred to :—

A glass bottle, or glass in any form ; razors, scissors, needles, knives, forks, or other sharp instruments ; leeches, game, fish, meat, fruit, or vegetables ; bladders or other vessels containing liquids ; gunpowder, lucifer matches, or anything explosive or combustible.

By the 1st Victoria, cap. 36 sec. 2, any person illegally conveying letters incurs a penalty of £5 for every offence, and £100 for every week the practice is continued. The sender also incurs a penalty of £5 for every offence, with full costs of suit.

The following are exceptions from the exclusive privilege of the Post-Office in the conveyance of letters :—

1. Letters sent by a private friend, so as such letters be delivered by such friend to the party to whom they shall be directed :
2. Letters sent by a messenger on purpose, concerning the private affairs of the sender or receiver thereof, commissions or returns thereof, and affidavits and writs, process or proceedings or returns thereof, issuing out of a Court of Justice :
3. Letters sent out of the United Kingdom by a private vessel (not being a packet-boat) :
4. Letters of merchants, owners of vessels of merchandise, or the cargo or loading therein sent by such vessels of merchandise, or by any person employed by such owners for the carriage of such letters, according to their respective directions, and delivered to the respective persons to whom they shall be directed, without paying or receiving reward or profit for the same in anywise :
5. Letters concerning goods or merchandise sent by common carriers to be delivered with the goods which such letters concern, without payment for receiving or delivering such letters.

But the following persons are expressly forbidden to carry a letter, or to receive or deliver a letter, even though they shall not receive payment for the same.

- a. Common known carriers, their servants or agents, except a letter concerning goods in their carts or waggons, or on their pack-horses ; and owners, drivers, or guards of stage-coaches.
- b. Owners, masters, or commanders of ships, vessels, steam-boats, or boats called or being passage or packet-boats, sailing or passing coastwise or otherwise between places within Great Britain or Ireland, or between ports within Her Majesty's dominions or territories out of the United Kingdom, or their servants or agents, except in respect of letters of merchants, owners of ships, or goods on board :
- c. Passengers or other persons on board any such ships, vessels, steam-boats, or passage-boats :
- d. The sailors or others on board a ship or boat passing on a river or navigable canal within the United kingdom or other Her Majesty's dominions.

Inland Pattern and Sample Post.

With reference to the revised rules of the Inland Pattern and Sample Post, which were published on the 27th March, it has now been decided to modify the rule No. 6, and to permit the transmission of samples of seeds, &c., intended for delivery within the United Kingdom, in bags entirely closed, provided that such bags be transparent, so that the officers of the department may be able to satisfy themselves as to the nature of the contents.

It is to be distinctly understood, that this modification relates only to the *Inland Pattern* and *Sample Post*.

HACKNEY CARRIAGES IN EDINBURGH.

FARES BY DISTANCE.

1st, The distance to which any Hackney Carriage may be driven under these Bye Laws, shall be seven miles from the Cross of Edinburgh.

2d, When a Party not exceeding two grown-up persons, and without any luggage other than a carpet bag or the like, enters a carriage at a Stance, or when driving along disengaged, they shall be driven half a mile for 6d., and if they return they shall pay the same fare; the driver shall draw up to either side of the pavement when called, and if detained more than five minutes before starting he shall be entitled to sixpence for waiting,

N.B.—This rule shall not apply to Fares from Railway Stations.

3d, Excepting the Sixpenny Fare, the Fares by distance shall be shewn in the annexed Table of Fares. The charges in the Table shall include going from the Stance or Stable to the Hirer's Residence, and waiting ten minutes. But if the Carriage be detained, before starting, more than ten minutes, a charge of waiting at the rate of 6d. for each quarter of an hour, or part thereof, after the expiry of the ten minutes, shall be allowed, and if the place where the Hirer is to be taken up be beyond half a mile from the Stance or Stable whence the Carriage is taken, there shall be a charge of Sixpence for such distance.

4th, When any place is not mentioned in the Table, the Fare shall be the same as that to any place mentioned which may be in the immediate vicinity.

5th, When the Fare of any particular place not mentioned cannot be ascertained by reference to a place in the immediate vicinity, the Fare shall be 1s. for a distance from the Stance not exceeding a mile and a half, and *Sixpence* for every additional half-mile or part thereof.

6th, Half Fare, returning with the party, excepting the half-mile drive.

7th, When parties return, (which they shall have the option of doing,) and the Fare going is 1s., the Carriage shall wait ten minutes without any charge for waiting; when 1s. 6d., fifteen minutes; when 2s., and upwards, twenty minutes. If the Carriage be detained longer, a charge shall be allowed for waiting, at the rate of 6d. for every twenty minutes, or part thereof, commencing at the periods when the free waiting expires.

8th, When a carriage is called but not used, a charge of 6d. shall be allowed, if the place to which it is called be under half a mile from the Stance or Stable, and 1s. if beyond that.—Waiting as in Section 7th.

FARES BY TIME.

It shall be in the option of the Hirer to employ a Carriage within the Municipal Bounds by time, for *bona fide* SHOPPING, MAKING CALLS, and the like, where the driving is not continuous. The charge in such cases shall be 1s. for the first half-hour, and 6d. for every additional quarter of an hour.

For an AIRING into the Country within seven miles from the Cross of Edinburgh, and returning either by the same or a different road, the rate shall be sixpence for every ten minutes, or 3s. per hour. A drive round the Queen's Drive shall be considered an Airing. Unless the Hirer wishes a slower pace, the rate of driving when out an Airing shall be at least six miles an hour; and in the event of the driving being at a slower pace than six miles an hour, contrary to the wish of the Hirer, it shall be optional for the Hirer to pay the fare in the proportion of 3s. for every six miles so travelled.

WHETHER THE FARES ARE BY DISTANCE OR BY TIME.

1st, The Hirer pays Tolls.

[Continued.]

*Standard Life Assurance Company—continued.***INVESTMENT OF FUNDS.**

The Funds of the Company are invested in Government Securities ; in Loans on the security of Land, by bond or mortgage ; in Landed Property ; in advances to the Company's Policy-holders ; and in other ways affording undoubted security.

ANNUAL REVENUE, (1864,)	£437,380 0 8
ACCUMULATED and INVESTED FUND,	£2,620,272 17 9

THE PROFITS OF THE COMPANY

Have been divided on six occasions—in 1835, 1840, 1845, 1850, 1855, 1860—when large additions were made to Policies under the peculiar mode of division adopted by the Company, which is essentially Tontine, affording every important advantages to Assurers.

**The Policies of the STANDARD LIFE ASSURANCE COMPANY are more
Valuable than ORDINARY POLICIES,**

Inasmuch as they are free from extra Premiums in the case of foreign residence, when the Directors are satisfied there is no intention or prospect on the part of the Assured to reside abroad. They are also free from other restrictive clauses. These are great benefits. Take, as an example, a liferenter who assures his life. In ordinary Policies, he is limited to residence in Europe, and his Policy is subject to forfeiture on various grounds. A *STANDARD Free Policy*, once obtained, contains but one condition—payment of the Premium, and for that, too, increased facilities are given ; while at the end of five years, the Assurance Deed becomes, as regards any question, a simple promise to pay on proof of death. If the Policy is to be made the basis of a marriage-contract, or to be a security in any way, the advantage of a free assurance is undeniable ; and in the present day, every Policy, it may be said, becomes in the course of its existence, in some way or other, the groundwork of a responsible transaction.

ACCUMULATED FUND, £300,000

ANNUAL REVENUE, £100,000

THE COMPANY was established in the year 1837, for the transaction of all varieties of Life and Fire Assurance Business. Its subscribed Capital is £1,000,000 sterling, held in Ten Thousand Shares by a numerous and wealthy Proprietary widely scattered throughout England and Scotland.

THE COMPANY has obtained two special Acts of Parliament, conferring on it various powers and privileges; and is one of those approved of by the Postmaster-General for the Assurance of the Lives of the Post-Office Officials.

THE RAPID PROGRESS of the Company is seen in the fact that the New Life Business of the last quinquennial period, which closed on the 31st of December 1862, was 148 per cent. more than that of the preceding similar term; while the Fire Premiums were 185 per cent. more.

DURING THE YEAR 1863, which constituted the first of the current quinquennial period, 503 new Life Policies, assuring £137,730, were issued; while the Fire Premiums amounted to upwards of £52,000;—in both instances exhibiting a steady increase on the business of any previous year.

ALL CLAIMS are settled with liberality and the utmost promptitude, in order that the full benefit of the assistance and relief which Assurance is designed to afford should be secured to Assurers or their representatives.

THE LARGE CAPITAL of the Company, the whole of which is available to meet Claims, and the Reserve Fund in hand, are guarantees of perfect security to Policy-holders, who are in no way involved in the mutual liabilities of Partnership.

A CASH BONUS of 22 PER CENT., equivalent to a REVERSIONARY BONUS of from 30 to 60 PER CENT., according to the age of the Assured, was declared at the last Division of Profits.

THE PREMIUMS charged by this Company will contrast favourably with those of other Offices.

THE SCOTTISH EQUITABLE LIFE ASSURANCE SOCIETY is an Institution peculiarly adapted for securing family provisions. It is a purely Mutual Assurance Society. The whole Profits are allocated every **THREE YEARS** amongst Policies of five years' duration. No part is, as in the case of a Proprietary Company, diverted from those who are assured, and paid away to Shareholders; and the additions which have already been made to Policies, afford the clearest evidence of the prosperity of the Institution, and the great advantages derived by its members.

THIS SOCIETY is specially authorised by its Act of Parliament to Guarantee Officials in every Department under Government, and having acquired the business of the **BRITISH GUARANTEE ASSOCIATION**, is now the *only Society* whose Guarantee Policies are accepted by *Government*.

The Officials of the Treasury, Customs, Inland Revenue, General Post-Office, Poor-Law Board, the Board of Trade, War-Office, Admiralty, Commissioners of Her Majesty's Works, &c., Home, Colonial, India, and other Government Departments, the principal Banks, Railways, Public Companies, Municipal Corporations, &c., in Great Britain, India, and the Colonies, are largely Guaranteed by Policies of this Society.

Every description of **LIFE ASSURANCE** is transacted by the Society at moderate rates, with or without participation in profits.

The combination of Guarantee with Life Assurance, which is a feature introduced by this Society, affords important advantages to the Assured, as considerable deductions are made on the Guarantee Premiums, (in some cases equal to the whole annual payment,) depending upon the relative amounts of the Life and Guarantee Risks.

ANNUITIES are granted, either as Immediate, Deferred, or Reversionary, upon liberal terms. The following will shew the **IMMEDIATE** Annuity granted for £100, at the respective Ages:—

Claims arising in Scotland are made payable at the Society's Head Office in Edinburgh.
Agents are appointed in most of the Principal Towns in Scotland.

The BUSINESS of this ASSOCIATION embraces every advantageous form of LIFE ASSURANCE, ANNUITIES, and ENDOWMENTS.

The ASSURED have the SECURITY of the SUBSCRIBED CAPITAL of ONE MILLION STERLING, besides INVESTED FUNDS exceeding HALF A MILLION, and an ANNUAL INCOME of over £100,000.

The PREMIUMS for ASSURANCES, either with or without PARTICIPATION in PROFITS, are at moderate rates, and may be paid yearly, half-yearly, for a limited number of years only, or in a single payment, at the option of the ASSURED.

NINE-TENTHS of the PROFITS are divided among the ASSURED every FIVE YEARS, New Entrants participating at each Division.

SPECIAL NOTICE.

THE BOOKS WILL CLOSE ON 24th DECEMBER 1865 FOR THE NEXT QUINQUENNIAL INVESTIGATION AND DIVISION OF PROFITS. POLICIES OPENED PRIOR TO THAT DATE WILL PARTICIPATE IN THE DIVISION THEN TO TAKE PLACE.

IMPORTANT TO NEW ENTRANTS.

The mode of apportioning Profits adopted by this Office is at once simple and equitable in its operation, and is opposed to every form of the *Tontine System*, by which the greater part of the Profits of many Offices, both Mutual and Proprietary, is appropriated by the older Members to the prejudice of NEW ENTRANTS. In this Office every Policy-holder, however recent his Assurance, receives his fair share of Profits equally with the earliest Entrants.

ANNUITIES on SINGLE or JOINT LIVES, and ENDOWMENTS are granted on favourable terms.

LIFE DEPARTMENT.

THE Policies, now in course of being issued by this Company, are free from all unnecessary restrictions, and secure every advantage derivable from the system of Life Assurance. The Premiums are strictly moderate.

The Participation Scheme was begun in 1840, and the oldest Policies for £1000 in connexion with it becoming Claims after payment of the Premiums falling due in the current financial year, are increased to £1372, 12s.; those for larger or smaller sums being proportionately augmented. Bonus Additions may be surrendered for their value in cash, or an equivalent reduction of future Premiums, the Assured having their choice in all cases.

It is provided by the Company's Act of Incorporation, that Investigations shall take place at intervals not exceeding Five Years, and intermediate Bonuses are allowed when Participating Policies, in force at one Division of Profits, become Claims before another—an arrangement which secures for such cases advantages similar to those claimed for Annual Investigations.

The business in this department has been greatly extended within the last few years.

Prospectuses, with every information, may be had on application.

FIRE DEPARTMENT.

All Losses, so soon as satisfactorily ascertained, are liberally and promptly settled.

Losses arising from explosion of gas are paid by this Company.

THE ADVANTAGES which, as compared with other Offices, this Society offers, are—

A greatly larger original Assurance for the same Premium, and eventually to good lives as large additions as where the ordinary high rate of Premium is charged.

For the same yearly sum, as large an Assurance may generally be secured from the first as can be looked for elsewhere after many years' accumulation of *Bonuses*. Thus, a Policy for £1200 or £1250 may be had for the Premium usually charged to assure £1000 only.

In addition to this immediate Advantage,

The **WHOLE PROFITS** are secured to the Policy-holders themselves, and are divided on a system at once safe, equitable, and peculiarly favourable to good lives.

Instead of being given among all Policies indiscriminately—including those which have subsisted only a few years, and on which there may eventually be a *loss* to the common fund—they are reserved for those members who alone can have made surplus payments; in other words, for those whose Premiums, with accumulated interest at four per cent., amount to the sums in their Policies. In this way Policies originally for £1000 have already been increased to £1300, £1500, and even to £1700.

The Institution has taken a leading part in freeing Policies from elements of doubt as to their absolute validity. Resolutions were adopted at the General Meeting in 1849 by which, among other relaxations, it is declared that "*there shall be no forfeiture unless the averments*" in the original proposal "*be fraudulent as well as untrue.*" The Institution has never disputed a Claim.

Above 14,000 Policies have been issued for upwards of six millions. The subsisting assurances are above four and three-quarter millions. The Accumulated Fund, arising entirely from Premiums, exceeds a million, the whole of which is invested in unexceptionable securities in this country.

FIRE INSURANCE.

THE Directors beg to call the attention of those who are not insured to the very small Annual Charge at which this Security can be obtained.

The Duty payable to Government being now reduced to 1s. 6d. per cent., parties will be enabled to increase very considerably their existing Insurances, without increasing the payments they have been making under the old rate of Duty; and those who have hitherto been unprotected can now be insured on very favourable terms.

This Company has been established for more than Forty Years, and is prepared to offer the greatest facilities in connexion with Fire Insurance.

The Policy-holders of the Company enjoy the following important advantages:—

COMPLETE SECURITY.

MODERATE RATES OF PREMIUM.

PROMPT SETTLEMENT OF LOSSES.

LOSSES BY LIGHTNING MADE GOOD.

LOSSES BY EXPLOSION OF GAS WITHIN THE BUILDING INSURED ARE PAID.

INSURANCES FOR SEVEN YEARS CHARGED FOR SIX YEARS ONLY.

No Charge made for Policies, however small the amount Insured.

WHILE affording all the advantages and facilities usual with other Offices, this Institution possesses SPECIAL AND ATTRACTIVE FEATURES peculiar to itself; and DURING THE TWENTY-SIX YEARS of its operations it has largely contributed to the extension of Life Assurance throughout the whole of Great Britain and Ireland, as well as British North America.

THE SYSTEM AND REGULATIONS have been framed, and from time to time improved, so as to secure to the Policy-holders not only the utmost Value for their Payments, but especially the following:—

As SMALL PRESENT OUTLAY as possible.

NO RESPONSIBILITY, whether of Partnership or Mutual Assurance.

NO LIABILITY TO FORFEITURE, or so little that only gross carelessness can affect the Policy.

A LIBERAL RETURN to the Policy-holder, if he desire to relinquish his Policy; or, THE LOAN of a Sum nearly equal to its OFFICE-VALUE *without cancelling the Policy*.

Assurers have the Choice of Two Schemes, each of which has its peculiar and distinctive advantages:—

ORDINARY ASSURANCE.

Class (A).—By which the expense of Life Assurance is reduced to the lowest scale consistent with security, the Profits being applied in reducing the Premiums.

UNCONDITIONAL ASSURANCE.

Class (B).—Under which the Policies are in effect Non-forfeitable and Unquestionable. There are no restrictions as to Residence or Occupation.

A CONSIDERABLE PORTION OF THE PAYMENTS required for a Policy for the first six or ten years may also REMAIN UNPAID so long as the Assured pleases, without at all affecting the Assurance otherwise. Present Outlay is also further diminished by means of the Association's INCREASING POLICIES, in which the Sums desired increase by the mere lapse of time to *double* the original amount; while the Premiums payable by the Policy-holders either remain fixed, or, in the Participating Class, are reducible by application of Profits.

THIS COMPANY offers to the Public the combined advantages of PERFECT SECURITY, MODERATE PREMIUMS, and LIBERAL PARTICIPATION IN PROFITS.

Liberty to Voyage to any part of the World, without extra Premium, to all assured under Whole Life Policies, except Seafaring Persons.

Liberty to Reside in any part of the World without extra Premium, on expiry of Five Years from the date of Policy, on conditions mentioned in the Prospectus.

Policies declared Indisputable on any ground whatever, at the end of Five Years from their date (provided satisfactory evidence of age has been produced.)

NEW SYSTEMS OF ASSURANCE.

In addition to the ordinary systems of assurance this Company offers the following:—

1. **DECREASING TERMINATING PREMIUM SYSTEM**, now for the first time introduced, under which the Original Premiums are reduced by one-fourth every ten years, ceasing altogether with the fortieth payment,—a method very suitable to Assurers who may wish to be relieved from payments as life advances and other claims arise.

NOTE.—*The profits in past years make it highly probable that an Assurer, under a Policy with participation on the DECREASING TERMINATING PREMIUM SYSTEM, will have it in his power to obtain relief from all payments after the twentieth, by a surrender of a PORTION of his Bonus additions.*

2. **HALF-PREMIUM SYSTEM**, under which Assurances can be effected at half rates for five years, without any debt being created on the Policy—a plan designed to answer the requirements of persons of limited but progressive incomes.

LIBERAL LOAN AND SURRENDER VALUES.

PROMPT SETTLEMENT OF CLAIMS.

NO ENTRY MONEY CHARGED.

Policies granted free of any charge for Stamp Duty or Medical Fees.

THIS OFFICE, being purely MUTUAL, the WHOLE PROFITS BELONG TO THE ASSURED. The Society has endeavoured to place its Rates and Rules on the most equitable and liberal footing; and its affairs are administered by Directors whose interests are identical with those of the Assured.

IMPORTANT RESOLUTIONS have been adopted, relieving the Policies of many usual restrictions; and the Assured are now entitled, after Five Years' continuous residence in this Country, to travel and reside in any part of the World, without payment of extra Premium.

PARTICULAR ATTENTION is invited to the Special Pamphlet, explaining the system of Minimum Premiums introduced by the Society, under which it is believed that Assurances can be effected *more economically* than in other Offices. The following is an extract from the Table of Annual Rates:—

Table AC—Minimum Premiums for Assurance of £100.

LIFE ASSURANCE.

AMONG the advantages offered by this Corporation are—

1. The Guarantee of an extensive and highly respectable body of Shareholders.
2. An Equitable Division of the Whole Profits among the Assured in the Participation Scheme.
3. The probability afforded by a successful business of a periodically increasing Bonus. And,
4. Policies Indisputable, except on the ground of fraud.

Thus combining the leading features of a Mutual with the stability of a Proprietary Company.

The Annual Revenue of the Company is now upwards of £250,000, and the Invested Funds are upwards of £700,000.

DIVISION OF PROFITS.

The following Examples of Bonus Additions are taken from the Company's Books:—

A Policy issued in 1836 for £1000 had increased, at 31st December 1863, to the Sum of	£1426	7	1
A Policy issued in 1848 for £1000 had increased, at 31st December 1863, to the Sum of	1235	5	0
A Policy issued in 1860 for £1000 had increased, at 31st December 1863, to the Sum of	1055	0	0

REDUCED RATES FOR THE EAST AND WEST INDIES, AND CHINA.

The Directors have adopted a new Scale of Rates for the East and West Indies and China, considerably lower than those charged by this or, they believe, any other Company, but differing from the old system, in respect that no reduction takes place on the assured returning to Europe or proceeding to any other part of the world not chargeable with an extra premium.

According to this method, the Assured, instead of being subjected to a heavy Extra Premium during the years of residence in the Tropics, has the option, by paying a fixed rate, of throwing the Extra over the whole currency of the Assurance.

LIFE ASSURANCES without Profits effected, and **ANNUITIES** Sold on very favourable terms.

Liberal Surrender Values allowed, or new Policies granted in lieu thereof.

The Premiums may be paid Yearly, Half-Yearly, or Quarterly, for a limited number of years only, or by a Single Payment. No Entry Money or Stamp Duty charged.

FIRE INSURANCE

Undertaken on similar terms with other respectable Offices.

N.B.—No charge for Policy Stamps in any case, or on Transfers from other Offices.

CARPET CLEANING

BY STEAM MACHINERY

AT INGLIS GREEN.

A. & J. McNAB, DYERS AND SCOURERS TO THE QUEEN, have much pleasure in intimating that they have made arrangements with Mr ARMFIELD of London, for using his PATENT CARPET CLEANING MACHINE in their Establishment at Inglis Green. This is a Machine of ingenious construction, which has for a number of years been very extensively employed in London for cleaning Brussels, Velvet Pile, Turkey, and other Carpets; and the work done by it has in every instance given the greatest satisfaction. By this Machine whole Carpets of the Largest Size can be Scoured without danger of shrinking or injury to the Colours. One great recommendation of the new Machine is, that it can be used without softening the Fabric of the Carpet, or removing the natural stiffening which is essential to its good appearance and durability.

EXTRACT FROM REPORT TO ANNUAL MEETING

"TAKING FIRE AND LIFE BUSINESS TOGETHER,

NO COMPANY CAN SHOW A SUCCESS,

ALMOST SIMULTANEOUSLY ARRIVED AT IN BOTH DEPARTMENTS,

EVEN APPROACHING IN EXTENT TO THAT OF THE ROYAL INSURANCE COMPANY."

PERCY M. DOVE, MANAGER AND ACTUARY.

Royal Insurance Company.

—1863—

REPORT BY THE AUDITORS

TO THE ANNUAL MEETING IN AUGUST 1862.

“All the property of the Company, which amounts in the aggregate to £846,070,* is real and substantial property. We have passed all the Documents, and all the Securities relating to that property, through our hands, and are perfectly satisfied that the amount is correctly represented, and that it is **SOLID, SUBSTANTIAL, and REAL.**”

*** THESE FUNDS, SINCE RAPIDLY ENHANCED,
NOW EXCEED**

ONE MILLION STERLING.

THE FOLLOWING FACTS PROVE THE
HIGH STANDING OF THE COMPANY:—

ANNUAL FIRE REVENUE, £300,000

No other FIRE Insurance Office has, under any circumstances, ever before attained to a similar Revenue in eighteen years from the time of its establishment.

No Office has advanced so rapidly, year by year, as the ROYAL, during such a period, unless by the purchase of other Offices, and by adding the revenues of such Offices to their own.

The increase of Fire Duty paid by the ROYAL proves, by a method of long acknowledged and unquestionable accuracy, the wonderful progress of the Establishment.

In the year 1862 alone, an amount exceeding £100,000 has been added to the Available Funds of the Company, after paying all Claims and Expenses.

The fact that out of a profit of £56,000 realised on Fire business last year, the sum of £34,000 only was paid in the shape of Dividend to the Proprietors, shows the utmost prudence on the part of the Directors, and gives the greatest possible security to Insurers.

The capability of paying a Sum exceeding £200,000 annually in Claims, notwithstanding these immense Reserves, exhibits a magnitude of operation having few equals.

THE FOLLOWING STATEMENT WILL EXHIBIT THE

RAPID GROWTH AND HIGH POSITION OF THE COMPANY

MORE CLEARLY THAN ANY OTHER THAT COULD BE PRODUCED:—

LIFE INVESTIGATION.

The ROYAL INSURANCE COMPANY recently published an account of the investigation into the Assets and Liabilities of its Life Department, under a novel form, and in as plain and intelligible a manner as the abstruseness of the subject admitted, together with the entire statements and valuations necessary for that purpose.

From the extensive Notices of this Pamphlet and its accompanying Diagrams, which have appeared in the Periodicals of the day, it has largely attracted the attention of vast numbers of persons in all parts of the United Kingdom, as well as in other parts of the World. A most satisfactory and conclusive evidence that such is the case, is afforded by the fact, that the

SUM ASSURED ON NEW LIFE BUSINESS,

THE TWENTY-SEVENTH ANNUAL GENERAL MEETING was held at the Lyceum on 15th February.

THE POSITION to which the Society has arrived in regard to the LIFE OFFICERS of Great Britain is thus stated by the Chairman of the recent General Meeting:

Forms of Proposal may be obtained, and Assurances obtained, by correspondence with the Head Office, or through any of the Agents.

THE PROSPECTS of POLICY-HOLDERS

IN THE

Scottish Widows' Fund

THE LARGEST LIFE ASSURANCE INSTITUTION
IN THE WORLD

are indicated by the Distinguishing Features, Financial Condition, and Past Working of the Society, as shortly explained in this Prospectus.

The Extraordinary Success

which has attended the operations of the Society since it was founded in 1815 is shown in the following Table :—

Dates.	Policies issued.	Bonuses Declared.	Sums Assured and Bonuses existing.	Annual Revenue.	Invested Funds.
1824	£431,667	£24,592	£373,656	£17,454	£76,509
1831	1,474,409	122,007	1,332,434	54,653	260,046

1864	17,459,023	3,813,288	12,933,483	506,000	4,080,000

REMARKABLE, however, as the past progress of the Society has been, the operations of the last two years, 1863 and 1864, have been productive of a

VASTLY INCREASED NEW BUSINESS.

The New Assurances being £1,780,666 19 9

The New Annual Premiums thereon being £59,977 10 1

THE SCOTTISH WIDOWS' FUND is a Mutual Society in which the Whole Profits are divided among the Policy-holders. In "Proprietary" Companies the Profits are divided in certain proportions between Shareholders and Policy-holders. The practical result of the working of the Society's System is, that **VERY LARGE SUMS** have been and are paid to the representatives of Policy-holders, which, under the Proprietary System, would be paid to Shareholders in Dividends, or in additions to their Share Capital.

HEAD OFFICE, 9 ST. ANDREW SQUARE, EDINBURGH.

Scottish Widows' Fund Life Assurance Society.

Unsurpassed Security

is afforded by the Society. At last valuation on 31st December 1859, after reserving Funds to meet the Liabilities on the ample scale implied in a valuation by the Carlisle £3 per cent tables, there remained the Enormous Surplus of Eight Hundred and Forty-Six Thousand Pounds of Profit, all of which has been divided among the Policy-holders, *as explained below*. Since that valuation, there has taken place the following

Increase of the Society's Resources.

The Funds have increased from £3,518,230 to £4,080,000

The Revenue has increased from £412,767 to £506,000

The Whole Profits are divided among the Policy-holders,

including the "Guarantee Fund," which is credited to each Policy in proportion to its value, and is payable at death, with interest from last valuation, *in addition* to the Sum Assured and Bonuses, as in the following Table shewing the Sums payable under Policies of £1000.

Policy dated.	Sum Assured	Bonuses to 1865.			Guarantee Fund.*		Interest at 3 per cent.*			Total Sums Payable.

1855	1000	186	13	6	4	9 11	0	16	2	1191	19	7

* These sums are greater or less, according as the age at entry may be above or under 30 years.

The above are not exceptional cases in which large Bonuses have been awarded by a peculiar system of division. Every Policy in the Books has received Bonuses of corresponding amount, in proportion to its duration.

THE AVERAGE RATES OF BONUS

on each £100 assured for *each year* from the dates when the Society's Policies were issued, are as under :—

Bonus on all Policies of 1855	.	.	£1 14 11	} per cent per annum from date of the Policies.
Bonus on all Policies of 1845	.	.	1 19 10	
Bonus on all Policies of 1835	.	.	2 7 1	
Bonus on all Policies of 1825	.	.	2 10 5	
Bonus on all Policies of 1815	.	.	3 2 1	

Scottish Widows' Fund Life Assurance Society.

The Highly Profitable Character of the Society's Policies

will be seen by comparing the Bonuses added to Policies of £1000 with the total amount of Premiums paid (age at entry 30), as in the following Table:—

Policy dated.	Bonuses as on page 2.			Premiums paid.			Per Centago of Premiums added as Bonuses.
	£	s.	d.	£	s.	d.	
1855	191	19	7	284	12	6	67.449
1845	417	15	10	543	7	6	76.888
1835	729	4	2	802	2	6	90.909
1825	1034	5	10	1060	17	6	97.404
1815	1583	5	3	1319	12	6	119.977

Thus the original Sums Assured have been secured at very trifling outlay—THE GREATER PART of the entire premiums paid on Policies, even of recent issue, having been added as Bonuses, while the whole, and, in many instances, more than the whole, of the Premiums have been added as Bonuses.

Surrender Values are payable on Demand,

there being no interval of years, as in most other offices, during which discontinuance of the Policy involves forfeiture of all the Premiums paid. The following are examples of Surrender Values of Policies of £1000, including Vested Bonus Additions for the number of years specified. Age at entry being 35.

Duration of Policy.	Premiums paid.			Surrender Value.			Per Centago of Surrender Value on Premiums paid.

Facilities & Privileges.

1. **Lapsed Policies.**—When the premium is not paid within the thirty days of grace, and the Policy is not renewed within the further period of twelve months, a sum equal to the full Surrender Value is allowed.

2. **Loans** (not less than £50) are granted on security of Policies to any amount covered by their "Surrender Value."

3. **Claims** are paid in full in any part of the United Kingdom, free of charge, on the simple receipt of the parties entitled thereto in virtue of the Policy itself, or of Assignments, or under English, Irish, or Scotch Administration granted in their favour.

Scottish Widows' Fund Life Assurance Society.

THE FIRST DIVISION OF PROFITS

UNDER THE AMENDED LAWS OF THE SOCIETY WILL BE MADE

On 31st December next year,

When the **WHOLE PROFITS** realized since 1st January 1860 will be divided among the Policy-holders. A great increase has taken place in the Business as well as in the Productiveness of the Society's Invested Funds since last Division of Profits. It is accordingly anticipated that at the approaching Division the Profits will be of unusually large amount. In the distribution to be thus made next year, all Assurances effected *now* will rank for **TWO FULL YEARS' BONUSES**, and for a corresponding **SHARE** of the **GUARANTEE FUND**.

GENERAL SUMMARY.

THE SCOTTISH WIDOWS' FUND realizes the largest amount of Profit which Life Assurance, conducted under the most favourable circumstances, is capable of yielding, and it is all divided among the Policy-holders exclusively. Every facility is afforded with the view of making Policies as useful as possible to the Assured themselves during life. At death Settlement is made, free of expense, upon the simple receipt of the parties entitled. THE SOCIETY BEING CONSTITUTED FOR THE SOLE BENEFIT OF THE ASSURED AND THEIR REPRESENTATIVES, ITS WHOLE AFFAIRS ARE CONDUCTED WITH A VIEW TO PROMOTE THAT OBJECT.

FIRE INSURANCE.

THE PREMIUMS received by the *Liverpool and London and Globe Company* in the year 1863, amounted to £580,000, and exceeded by not less than £200,000, those of any other Fire Office. In 1864 these Premiums were increased to £742,670, being an addition of £162,000 in that single year; in two years the increase was £290,000.

It is impossible to read these figures without being struck with the very gratifying extent of confidence the public repose in the Company, and the exceedingly rapid rate at which the Business is growing. There is no security so good as a well-earned name, and to be well earned it must be based on confidence. But confidence is very slow of growth. It requires time, it needs evidence, it is the consequence of trial. It is not improvised, and when once given, it should not on light grounds be withdrawn. "To err is human," and if any mistake of judgment, or appearance of failure in fulfilling an obligation be detected in a management, which by fidelity, well tested and allowed, has won such a confidence as that, it is safer to assume that in the particular instance knowledge was possessed which could not be used, or that misleading information had been given, the character of which was discovered too late, or that want of skill or care in developing the case had concealed or marred its strength, than to rush into arms wide open to receive you, with only loud professions of liberality, it may be, on which to base a claim of preference. The Losses of every year test the character of a Company's management, and when, as in the case of the *Liverpool and London and Globe Company* in 1864, they sum up to £520,000, adjusted and paid without complaint, the best security is given that the obligations under its policies have been satisfactorily discharged, and that the real ground of the confidence reposed in the Company is sufficiently revealed.

Insurances continue to be effected at *Home*, in the *British Colonies*, and in *Foreign Countries*, and all claims to be settled with liberality and promptitude. The Directors have never advocated high rates of Premium, except to meet some temporary emergency connected with a particular manufacture or locality, in order to induce improvements in the risks.

LIFE INSURANCE.

THE AMPLE resources of the *Liverpool and London and Globe Company* present an amount of security to Insurers such as few if any office can give. The very large Funds actually invested, and the unlimited responsibility of the numerous and wealthy Proprietary are not surpassed. And accordingly it is found that the Business of each successive year is largely in excess of the one that preceded it. In 1863 the new business comprised the issue of 957 Policies, insuring £542,909, and producing in Premium £17,640. In 1864 the issue was 1394 Policies, insuring £733,536, and producing in Premium £23,808 9s. 2d.

But beyond the security, there is the element of certainty, the absence of mere promise in its engagements, which naturally influences insurers to prefer it. A contract of Life Insurance should not be a speculation. Its fulfilment should not depend on problematical success. A leading object aimed at in the practice of insurance is to render that certain which otherwise would be doubtful only; and that Company would seem to fulfil most entirely this purpose of its existence, which places all the inducements it holds out to the world, on the clear basis of distinct guarantee.

This certainty is the characteristic of The *Liverpool and London and Globe Company*. Its Policies are Bonds; its Bonuses are guaranteed when the policy is issued; its profits or its losses affect the proprietors alone; and its contracts entail upon those who hold them not the remotest liability of Partnership. To these recommendations have now been added, the indisputability of the Policy after five years existence, except on the ground of fraud or climate, and the claims being made payable in THIRTY DAYS after they have been admitted.

ANNUITIES. The *Liverpool and London and Globe Company* offers to any person desirous to increase his Income by the purchase of an Annuity, the most undoubted security and the greatest practicable facilities for the receipt of his annuity. The amount payable by the Company is now £36,700 per annum. The rates will be found on application liberal, and the preliminaries, and the requirements for the receipt of the payments, as simple, and free from unnecessary form as they can be made.

THE DIRECTORS desire to imbue the mind of the public with the great importance of having the Capital of a Company, on which the Dividend is paid, largely supported and strengthened by other Funds, on which no Dividend is payable. Such a state of things, in the first place, evidences the prudence with which the affairs have been managed; and in the next, supplies a guarantee against fluctuation in the Dividend to Proprietors, because so considerable a proportion of the annual payments becomes derivable from interest on the Investments. And when, as in the case of the *Liverpool and London and Globe Company*, no addition to the Capital can be made, without the premium upon it giving permanent increase to the Reserve Fund, it is obvious that any further issue of stock, by reason of the premium it commands, will nearly provide its own Dividend, and so form but a small charge on the business it contributes. This consideration will add to the significance of these Funds which for convenience are enumerated here, namely:—

Capital paid up	£392,000
Reserved Surplus Fund	971,000
Life Department Reserve	1,656,000
Balance of Undivided Profits	193,000
	£3,212,000

QUEEN INSURANCE COMPANY.

At the Annual Meeting of the Proprietors, held at Liverpool on the 27th October, 1864, BERNARD HALL, Esq., Chairman of the Company, in the Chair, the Directors' Report for the year stated:—

That the Fire Premiums for the Year amounted to	- - - - -	£101,085
Being an increase over the preceding year of	- - - - -	30,785
That 352 Life Policies were issued for	- - - - -	205,088
Being an increase over the preceding year of	- - - - -	57,508
That the New Life Premiums were	- - - - -	6,371
Being an increase over the preceding year of	- - - - -	2,421
That the Life income was	- - - - -	23,531
And that upwards of 60 per cent. of the entire Net Premiums was added to the Life Fund.		
That the Subscribed Capital was increased to	- - - - -	1,876,720
That the Paid-up Capital was increased to	- - - - -	187,672
That after providing for all outstanding claims, the Fire Reserve would stand at	- - - - -	114,312
Making the Funds in Hand , after providing for the Dividend	- - - - -	343,413
A Dividend was declared of 2s. per Share, being 10 per Cent. on the paid-up Capital.		

The Chairman, in his address to the Shareholders, drew their attention to the following unusual advantage afforded among others to Life Assurers by this Company:—

The **Outside Expenditure** for the General Management of the Company, chargeable to the **Life Department**, is absolutely restricted by the Deed of Settlement to **Ten per Cent.** of the Net Life Income. This most important restriction shows that the **interests of the participating Policy Holders** are closely watched and carefully attended to by the Company. Attention is especially called to this point, as the proportion of premiums expended for management must largely influence **Profits and Bonuses**.

The **Life Bonus** declared in 1863 averaged **46 per Cent.** of the Premiums paid by the assured, and was in some cases as high as **75 per Cent.**
